Please note that these fees apply only to Australian citizens and students on approved residency visas.

Enrolment and Pre-Entry Fees

Australian Citizens and Students on Approved Residency Visas

- A non-refundable **Enrolment Application Fee** of \$100 per family is payable on application (for the first child only).
- A **Family Bond** of \$2,000 is payable upon acceptance of enrolment at Oxley Christian College for the first child in the family. The Family Bond of \$2,000 is not refundable if the confirmed enrolment is relinquished prior to the commencement of the student at the College. (Refer to clause 8 in the Business Statement for full details about the Family Bond.)

Once the student has commenced their enrolment, half of the Family Bond (i.e. \$1,000) is refundable (credited to the school fees account) after the end of Term 3 in the first year of enrolment, subject to the school fees account being up-to-date in accordance with approved repayment arrangements, and subject to the student not being withdrawn prior to the end of Term 3. Hence, the first half of the Family Bond may be forfeited if the account is not up-to-date, or the student is withdrawn prior to the end of Term 3 in the first year of enrolment.

The second half of the Family Bond (i.e. \$1,000) is refundable when the last student in the family has completed their studies at the College, subject to the school fees account being up-to-date in accordance with approved repayment arrangements. Otherwise, the second half of the Family Bond may be forfeited and not refunded.
