# Compulsory Government Charges

## Overseas Student Health Cover (OSHC)

Visa conditions require OSHC (approximately \$560 per year) for the full length of the visa duration to be paid in advance before arrival in Australia. The estimated full cost of the OSHC will be included in your Letter of Offer for payment at the same time as other initial fees. The following website link will provide helpful information about this requirement.

## Victorian Curriculum and Assessment Authority

A charge of up to \$500 per year is payable for students studying VCE subjects (usually in Years 11 and 12). This charge will be billed to the student account (usually) in May each year after receipt of the account from the Government. The fee may be less than this amount, depending on the number of school terms for which the student is enrolled, and the number of VCE subjects being undertaken.

# Application Procedure

The Applicant is responsible for Steps 1, 3 and 5.

## Step 1

Complete the International Student Enrolment Application and Conditions form and send it to the College representative together with:

- a) Certified copies of the student's latest school reports and public examination certificates.
- b) Completed Oxley Christian College English Test. Students who have been assessed by an Oxley representative in their own country, or students who have an appropriate accredited English score (such as IELTS), will not be required to complete the Oxley English Test. An AEAS Test may also be required by the College. The College will determine whether the student is ready to enter directly into mainstream classes or will be required to enter the Oxley Integrated English classes for 10 or 20 weeks.
- c) Subject Selection form (for Years 11 and 12 only).

## Step 2

If the College approves your application for a place, we will forward a Letter of Offer/Acceptance through our agent or direct to the applicant.

## Step 3

On receipt of the Letter of Offer/Acceptance, the applicant will be required to complete and return to us, through our agent, the Oxley Letter of Acceptance form and complete a bank transfer of funds to cover the fees as detailed in the Letter of Offer/Acceptance. For students who will be accommodated in an Oxley Christian College Homestay, the Letter of Offer/Acceptance will include a requirement to pay the first 4 weeks' Homestay fee, which is currently \$1,280 (\$320 per week). After the first 4 weeks of accommodation, the student pays the Homestay fee directly to the Homestay parent, every fortnight, in advance.

## Step 4

On receipt of the completed Letter of Acceptance form with the required fees and proof of OSHC for the period of the student's visa, the College will forward a Confirmation of Enrolment form (CoE) and a Confirmation of Appropriate Accommodation and Welfare letter (CAAW).

## Step 5

Apply online for your student visa, via the Australian Department of Home Affairs website. You will be required to follow the online process and upload various documentation, including the CoE and CAAW. Visa processing usually takes between 4 to 6 weeks.
