These fees are only refunded if the student visa is not granted. Please note that when sending an IMT, most banks charge a fee. This bank fee should be added to your payment.

Integrated English

In Secondary Years, students identified as requiring Integrated English for 10 or 20 weeks are charged at the normal School Term fee of the appropriate year level. Integrated English is the study of mainstream subjects, including English as an Additional Language (EAL), Mathematics, Science, Art, Information Technology (IT), Culture, Sport and Physical Education (PE), with an emphasis on improving English. In Primary Years, English support may be required for 10 hours per week at a cost of \$380 per week.

Half of the bond (\$1,000) is refundable (credited to the school fees account) after the end of Term 3 in the first year of enrolment, subject to the school fees account being up-to-date in accordance with approved repayment arrangements. The bond may be forfeited if the account is not up-to-date. The other half of the bond (\$1,000) is refundable on the student's completion of their studies at Oxley. Refer to the College Business Statement for full details.

Students who have purchased a device under the College 1:1 Digital Learning Program (DLP) prior to 2023 do not need to pay the fee, until the three-year warranty period on their device expires. The College will then provide the student with a College device under a hire arrangement.

In 2024, the Device Fee payable is as follows:

Years 4-6	\$400 per year
Years 7-9	\$780 per year
Years 10-12	\$840 per year

Compulsory Government Charges

Overseas Student Health Cover (OSHC)

Visa conditions require OSHC (approximately \$600 per year) for the full length of the visa duration to be paid in advance before arrival in Australia. The estimated full cost of the OSHC will be included in your Offer of Enrolment letter for payment at the same time as other initial fees. The following website link will provide helpful information about this requirement.

Victorian Curriculum and Assessment Authority

A charge of up to \$500 per year is payable for students studying VCE subjects (usually in Years 11 and 12). This charge will be billed to the school fees account (usually) in May each year after receipt of the account from the Government. The fee may be less than this amount, depending on the number of school terms for which the student is enrolled, and the number of VCE units of study being undertaken.

Application Procedure

The Applicant is responsible for Steps 1, 3 and 5.

Step 1

Complete the International Student Enrolment Application and Conditions form and send it to the College representative together with:

- a) Certified copies of the student's latest school reports and public examination certificates.
- b) Completed Oxley Christian College English Test. Students who have been assessed by an Oxley representative in their own country, or students who have an appropriate accredited English score (such as IELTS), will not be required to complete the Oxley English Test. An AEAS Test may also be required by the College. The College will determine whether the student is ready to enter directly into mainstream classes or will be required to enter the Oxley Integrated English classes for 10 or 20 weeks.
- c) Subject Selection form (for VCE subjects only).

Step 2

If the College approves your application for a place, we will forward an Offer of Enrolment letter through our agent or direct to the applicant.

Step 3

On receipt of the Offer of Enrolment letter, the applicant will be required to complete and return to us, through our agent, the Oxley Acceptance of Offer form and complete a bank transfer of funds to cover the fees as detailed in the Offer of Enrolment letter and the Acceptance of Offer form. For students who will be accommodated in an Oxley Christian College Homestay, the Offer of Enrolment letter will include a requirement to pay the first 4 weeks' Homestay fee, which is currently \$1,520 (\$380 per week). After the first 4 weeks of accommodation, the student pays the Homestay fee directly to the Homestay parent, every fortnight, in advance.

Step 4

On receipt of the completed Acceptance of Offer form with the required fees and proof of OSHC for the period of the student's visa, the College will forward a Confirmation of Enrolment form (CoE). For students who will be accommodated in an Oxley Christian College Homestay, the College will also forward a Confirmation of Appropriate Accommodation and Welfare letter (CAAW).

Step 5

Apply online for your student visa, via the Australian Department of Home Affairs website. You will be required to follow the online process and upload various documentation, including the CoE and CAAW. Visa processing usually takes between 4 to 6 weeks.
