Choose the right Maths subject(s)

- ◆ At Oxley, Maths is a compulsory subject in Year 11. At least one maths.
- ◆ Many students choose 2 VCE Maths subjects, e.g.
 - Maths Methods and General Maths
 - Maths Methods and Specialist Maths
- ◆ A few students choose all 3 Maths.

Pathway – Choose Most Suitable

- ◆ Arithmetic
- ◆ Geometry and trigonometry
- ◆ Vectors
- ◆ Non-linear relations
- ◆ Data analysis and probability
- ◆ Calculator Free & Calculator Active

Assessments

- ◆ Tests
- ◆ Projects or investigation tasks in class
- ◆ Examinations

Summary

- ◆ Choose the right Maths subject(s)
 - Mrs Linda Doblin, the college career advisor
 - Speak with your Maths teacher
- ◆ Our Aims - Through VCE Maths studies
 1. Not only preparing students for further studies
 2. But also helping students
 - develop logical thinking and problem solving skills and
 - appreciate/explore God's creation
