## From the Principal

Dear Friends,

I am delighted to warmly welcome families and staff to the new school year. In particular, we welcome students who are just beginning their time at Oxley, especially those in our international cohort. We hope you will find it a wonderful place to be and to learn, and that you will settle into good relationships with your peers and teachers. We trust that all students will embrace the year with enthusiasm and that you will find your learning both challenging and rewarding.

It is a pleasure to introduce the teachers who have joined us this year. They are David Cutler, Despina Filippidis, Vinita Seago and Andrew Knee in the Senior School; Lisa Heckathorn, Janine Boer, Pina Sernio and Christine Liu in the Junior School; while Caylin Smith has joined the College as a Strings Instructor, and Athelia Du Preez joined us late last year as the new Office Manager. Kimberley Berry and Rose Swyny are also new Learning Support Assistants.

A new year brings many adjustments, but the high expectations and standards we have for students and staff have not changed. Our overarching motives for education remain embedded in the Christian gospel, such that when students leave Oxley they will have gained Christian wisdom and character, a growing spiritual awareness, humility and generosity towards others. They

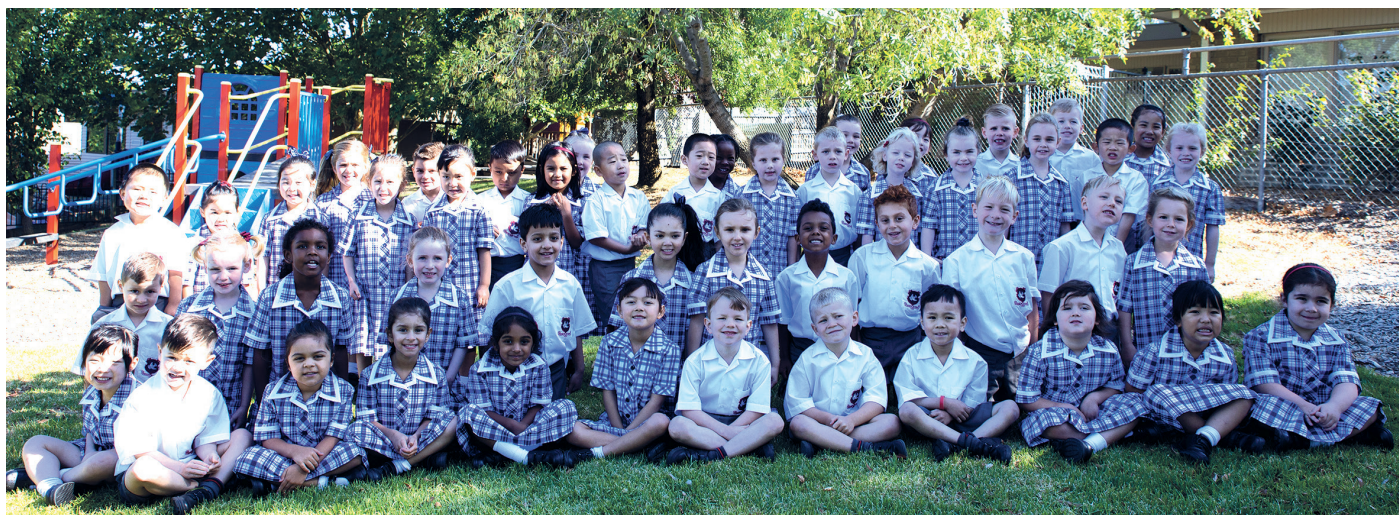

will understand that the educational disciplines we teach have the purpose of gifting them towards vocations more broadly described under Christian stewardship. It is indeed an exciting and transformational journey that we are undertaking together and one in which everyone is invited to participate. We will rely on the grace of God for this time, and we will rely on your patience and goodwill as our new people get to know Oxley and what a great place it is.

Our 2018 Presentation Evening concluded a delightful year for Oxley. On display were wonderful examples of student talent and achievements for the year. I congratulate our students and staff on an exemplary evening and honour the students who subsequently excelled with an outstanding ATAR. We especially congratulate Rachael Hallang as the College Dux with an ATAR of 99.65. The range of offers from tertiary institutions to our students for further study are but one indication of a remarkable year.

As the term gets underway, I look forward to the upcoming functions where we can meet and celebrate your children's involvement with Oxley Christian College.

May God's gifts of joy, wisdom, grace and blessing cover our community this year.

## This New Life

**Colossians 3:12-14** *Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive one another if any of you has a grievance against someone. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity.*

Happy new year! I love a new year, a new start. They bring with them new opportunities, new friends, new teachers and also a chance to have a fresh start. Maybe we made mistakes last year? I wonder what would happen if you made the decision now that this year will be different? What choices could you make, even right now, to see that this year is the best it can be?

Our theme for the year is Virtue and out of this, for the Junior School, the theme for this term is *This new life*. I love that, in Jesus, we are offered not just a new start, but a whole new life!

**2 Corinthians 5:17** *Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!*

**Romans 6:4** *We were therefore buried with Him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.*

That is pretty incredible. Our God is the God of fresh starts!

Paul, the writer of Colossians, is encouraging us that to live the new life, we need some new clothes. A new wardrobe. Clothing to add to our lives that will demonstrate to others that our lives have truly changed and that we are living more and more each day like Jesus Christ.

So what do we need to dress ourselves with? The first item to add to our wardrobe is:

Compassion. What is compassion? It's mercy, empathy, sympathy, charity. Compassion is being concerned for others.

Then we need some kindness. We all like to be around people who are truly kind. The kindest people seem to be the ones who also seem to be the most respected. We need kindness of heart and deed.

Then, to be more like Christ and live this new life, we need to learn what it truly is to be humble. The opposite of humble is proud, or arrogant, someone who always talks about themselves and how good

**Therefore, if anyone is in Christ,  
he is a new creation;  
the old has gone, the new has come!**

**2 Corinthians 5:17**

they are. Jesus wasn't like this, He always wanted to talk about His Father, God, rather than Himself. He washed feet!

To this we add some gentleness (or quiet strength) and some patience (or discipline). Living this new life isn't always easy, but anything that is worth anything rarely is. Leadership is hard but very rewarding. Learning new things is hard, but how proud are you when you master them. Running 50 metres the first time, we get all puffed out but the more we do it and the more disciplined we are, the easier it becomes. Living the new life, the life Jesus has intended for us, gets easier the more we allow Him to influence us and change us and mold us.

Then it is Christ we rely on who makes us strong. Stronger than we think we are, able to handle more than we think we can. Jesus our solid rock, our firm foundation, He never leaves us and nothing can separate us from His love! It is because of His love and His grace that we learn to love, truly love, because He loved us first.

Lastly, because He forgives us, over and over and over and over again. We can learn how to forgive others. This is an amazing life Jesus offers us! This new life!

So clothe yourselves in God's love this year. Daily! Wear compassion; kindness; humility; gentleness, that quiet strength; discipline and patience! God bless!

**Pastor Matt  
Chaplain**

*'Then it is Christ we rely on who  
makes us strong. Stronger than  
we think we are, able to handle  
more than we think we can.'*

## Senior School

It is exciting to watch the year commence and the atmosphere of the College change as numbers steadily grow. People involved in Administration returned to school and set in place many of the building blocks for the year. Then teachers started their year formally and a larger hum was heard across the grounds. Then our students arrived and the College swelled with the buzz and excitement of young people eager to catch up with friends, greet a favourite teacher and begin their classes for 2019.

Welcome to Oxley Christian College, 2019 whether this is your first year of involvement with us, or your 40th! This year we celebrate four decades of providing quality Christian education and we are delighted that you have chosen to be part of it.

Our aim is simple, although achieving it is often complex. We desire for every person "to delight in God's love through inspired learning" as stated in our vision statement. The way in which we aim to achieve this is "to provide an education for excellence within a Biblical Christian worldview" to the young people whom you have entrusted us to look after.

There are a number of enhancements to our already first-rate educational program, and you can read about these in the letter and brochure recently sent home. For students in Years 7-9, we are trialling a Middle Years Production as a way of allowing a larger number of students than previously to experience the great joy of performing in front of their peers and families during their secondary education. Our assessment and reporting practices will include regular formative feedback to families to enable earlier discussion and intervention where concerns may arise. And so much more ...

We hope that you will discuss these and other changes that are occurring with your family. If you have any concerns please feel free to chat with teachers, coordinators, faculty heads and other Senior School staff, including myself, as we want you to be part of the discussion.

We will, of course, continue to provide the level of support and care that is the hallmark of Oxley Christian College and the co-curricular and curricular programs that you expect. We know that it is important for all students to succeed to the best of their natural ability and research suggests that the change proposed to assessment and reporting will further assist in achieving this aim. We also believe that what sets us apart as a College is that in all things we strive to look at every person as an individual handcrafted by God in His own image, with a plan and a future, which impacts every interaction we have with you, our families.

May you feel His presence very closely this year and in the future. My prayer to begin 2019 is that you experience what was expressed by David in *Psalm 16:11* *You make known to me the path of life; You will fill me with joy in Your presence, with eternal pleasures at Your right hand.*

## Junior School

Welcome back to our Junior School students and their families! In this, the 40th year of Oxley Christian College, we will continue to build on the Christian foundation established and look forward to yet another year of academic and spiritual growth and blessing. We would like to extend a very warm welcome to all families new to the Oxley community.

Whilst you will recognise many familiar faces amongst our staff, we would like to officially welcome our new staff members: Mrs Janine Boer in Year 1, Mrs Lisa Heckathorn in Year 2, Mrs Pina Sernio as Teacher Librarian and Mrs Christine Liu as the Chinese teacher for Year 1-4. Mrs Rose Swyny also joins the Learning Support team. What a delight to also welcome back Mrs Emma Ashmore, a familiar face to many.

Our Prep students have enjoyed their first week at school and are quickly settling into the learning environment. At the commencement of the school year, staff focus on building a collaborative learning community for all students across the Junior School. It is an engaging and positive time which sets the stage for a successful year.

Today, our Junior School Captains for 2019 were invested at a special Chapel service. Students appreciated encouragement from Dr Peck, our Principal, who shared an inspiring message for our school leaders. We celebrate our 2019 student leaders and wish them all the best in their new role.

Dr Peck and Mrs Gaiser with the 2019 Junior School Captains

We congratulate our Junior School Captains.

On Thursday 14 February at 1.30pm at LMC, we will acknowledge the Semester 1 appointments of Home Group and Enviro Captains, as well as all Year 6 students as leaders of the Junior School. Parents are welcome to attend.

Junior School parents NEW to Oxley have been invited to a New Parents' Coffee Evening at 7:00pm in the Staff Room on Thursday 14 February. Afterwards, all Junior School parents will attend a Curriculum Information session in their child's classroom from 8.00pm.

On Monday 18 February, our Year 4-6 students will participate in the annual House Swimming Sports at Kilsyth Centenary Pool. Why not bring a picnic lunch and cheer for our swimmers!

We pray a blessing over every student and family for 2019. We treasure our partnership in your child's learning and look forward to celebrating a wonderful year of progress.

*And now these three remain: faith, hope and love. But the greatest of these is love. 1 Corinthians 13:13 (NIV).*

## What Did You Do at School Today?

### Prep

We have had a fantastic start to school, learning so many things and making new friends. We had a tour of the school and found the Canteen, the Art room, the Resource Centre, the First Aid room and the Office. We will soon know our way around! We like staying longer at school and having two play times. It won't be long before we stay all day!

Sammie and Charisma enjoying their first day at school

### Year 1

It's been an exciting start to the year! We have enjoyed getting to know new friends, playing in the 'big' playground, and beginning to learn Chinese! We created a *Friendship Ship* that displays what we want our class to be like this year. We loved hearing stories about old friends and new friends, and how Jesus is our forever friend!

### Year 2

Wow! What an incredible start to the year! We have enjoyed learning about Year 2 and exploring our new classrooms. It was exciting to hear about the amazing adventures everyone had over the holidays. Some students brought in beautiful souvenirs to show their peers, including flakes of gold! It was fun to decorate an *All About Me* poster and put them on display in our classrooms. Sharing our finished pieces allowed us to learn about each other and our favourite things. We are looking forward to our next learning adventure in Year 2!

Archie (2W) and Junior creating a poster all about their favourite things

### Year 3

We have made a wonderful start to the year. It was exciting to meet the new students. They are quickly becoming great friends and we are so glad they came to Oxley. We are looking forward to lots of fantastic activities and investigations this term! Next week, we begin our History Inquiry, *Before My Time*, and will study the impact that past events and people have had on our lives today. We will look at significant events of the past that continue to be celebrated or commemorated, both locally and around the world.

### Year 4

We have been setting the scene for a GREAT year ahead. We have discussed how our class will function, making class agreements that enable everyone to achieve their personal best. Each of us has a preferred learning style and have been created with talents to be developed. We want every child to come to school knowing they are safe, belong and are valued. 2019 is promising to be our best yet!

### Year 5

It has been a fantastic start in Year 5! With the Sovereign Hill camp just around the corner. We are drafting our letters to Sir or Ma'am. In our letters we begin to create the character we will play in the 1850s living museum and will describe our journey to the Ballarat goldfields. Similarly, we have been charged with the task of research into when our own families arrived in Australia. It is always a fun beginning to the year as we discover more about ourselves and each other.

## Year 6

How wonderful it is to be back at school and see the friends we have missed! We have been building our learning community and considering the ways in which we learn and help each other to become more effective members of our school. Bubbling with excitement, we had our first camp meeting to explore the itinerary and the amazing new places that we will visit when in Canberra. We are proud to be representing the Junior School as leaders and anticipate when we will receive our leadership badges. Our first training session for Inter-School Sports with Year 5s was fun and we look forward to our first game this Friday. We would also like to acknowledge **Gabriel Sharkey (6W)** for achieving the *Grey Wolf* milestone achievement with the Wonga Park Scout Group. Congratulations Gabriel!

# School Banking Program

## Calling for Volunteers!

Did you know that since the school banking program started at Oxley Christian College in early 2014, over \$4000 in commission has been raised for the Amari Project? We are very keen to keep the program running smoothly. Volunteering as a School Banking Coordinator is a great way to support the school community, Amari, and our students. If you can spare two hours on a fortnightly basis, we would love to hear from you. Training is provided. Please contact the Office to register your interest. Without a team of volunteers, this program is in jeopardy.

**Head of Junior School**

## Music

Welcome back to the Music Department for 2019. As usual, we have had a busy start to the year, welcoming back students who have been with us previously, and welcoming new students to our department.

This year we welcome Miss Caylin Smith to our Music Department. Miss Smith will be instructing private violin students, working with our string ensembles and also with our Year 2 Strings and Year 7 Instrumental Programs.

Our private music lessons have started. All students should have received a timetable for their lessons for the first four weeks of Term 1. Updated timetables will be sent out by the end of February for the remaining Term 1 lessons. Please remember that it is the student's responsibility to know their music lesson time and arrive at their lesson in a timely manner. Lessons missed will be charged as a paid lesson.

Our music ensembles have also started this week. The rehearsal times for our ensembles are as follows.

Vivace	Monday	3.30pm – 4.30pm
Chapel Band	Monday	3.45pm – 5.00pm
Cherub Choir	Tuesday	8.15am – 8.45am
Andante	Tuesday	3.45pm – 4.30pm
Senior Choir	Tuesday	3.45pm – 4.30pm
Seraphim Choir	Wednesday	8.15am – 8.55am
Malaguena	Wednesday	3.45pm – 4.30pm
Cabaletta	Wednesday	3.45pm – 4.30pm
Ostinato	Wednesday	3.45pm – 4.30pm
Concert Band	Thursday	3.45pm – 5.00pm
Sinfonia	Thursday	3.45pm – 5.00pm
Allegro	Friday	8.00am – 8.45am
Vocal Ensemble	Friday	3.45pm – 5.00pm*

\*Vocal Ensemble auditions for Years 10 -12 are being held on Friday 8 February.

We would like to remind students and families that participation in an ensemble is a weekly commitment. Students are expected to attend their rehearsals every week unless they have been home sick on the day of the rehearsal.

The BPAC is a hive of activity with rehearsals and private lessons taking place from 8.00am to 5.30pm each day. We ask parents to understand that, as part of our duty of care to students, the BPAC remains a 'student and teacher only' building during these times. Parents are most welcome to visit the Performing Arts and Events Administrator, but from 8.00am to 5.30pm all other areas of the BPAC are for students and teachers only.

If students have any questions about our ensembles, they are welcome to see Mrs Peacock in the BPAC.

**Angela Peacock**  
**Performing Arts & Events Administrator**

# Welcome to New Staff

Vinita Seago

Hi! I am excited to be joining the Oxley Senior School team as a Science teacher. Before Oxley, I have taught for about eight years across various Mathematics and Science subjects in Years 7-12 in different public and private schools. I am greatly passionate about teaching and enriching the life of students by being

a nurturing presence and leading them in the Lord's way. I am looking forward to an exciting new year at Oxley.

Caylin Smith

Hi! I am very happy to be joining the Oxley instrumental staff, teaching the Year 2 and Year 7 Strings program. I have just completed by Bachelor of Education (Honours) and Bachelor of Music (Classical) at Monash University. I am passionate about all things music and look forward to growing with and molding the God-given talents of our Oxley students.

Jasmine Sien

It is fantastic to be back in the Oxley community! After spending six years raising my two daughters, working as a photographer and filling some staffing gaps within the College, I have taken on the role of Careers Coordinator. I am very excited to be working with students at a pivotal time in their lives,

as they plan for their post-school future! In my spare time I enjoy listening to podcasts, drinking coffee and complaining about how sore I am after a workout!

Janine Boer

Hello, I am delighted to join the Oxley Christian College Junior School team and will be teaching in Year 1. Previously, I have taught across Prep to Year 6, as well as been a Literacy leader, Student Wellbeing leader and have worked very closely with graduates in their first few years as a graduate mentor.

My interests include house design and decoration, reading books, looking on Pinterest and spending time with my family and close friends. Besides my two gorgeous children, who were previous Oxley students, my next favourite things are my two chihuahuas.

Christine Liu

Hi! I'm very pleased to join Oxley Christian College as a Junior School Chinese teacher. I have been teaching across both Junior and Senior years in several independent schools since moving to Melbourne in 2001. I love reading and cooking in my spare time.

Athelia Du Preez

Hello everyone, I am happy to join the Oxley community as the Office Manager. I am really thankful to be working here and I hope to meet as many of you as possible. I believe God is the centre of all things and working in a school that emphasises this is just awesome. I love spending time with my family, fishing and being outdoors.

### Lisa Heckathorn

Hi, I am really grateful to be joining the community at Oxley Christian College as one of the Junior School Teachers in Year 2. I have been teaching for 10 years in various year levels with a particular passion for Christian education and Student Wellbeing. My husband Ben and I have two beautiful children; our very

lively 3 year old, Ethan and our cheeky 10 month old, Talicia. They keep us very busy! I count it a profound privilege to be working with students to identify their God-given abilities and help them discover what unique giftings God has placed in each and every one of them in order to be a blessing in the lives of the people around them.

### David Cutler

Hi, I am thrilled to join the team at Oxley Christian College. I have been teaching for the past nine years in the area of Sport & PE at Forest Hill College. I look forward to working with all students at Oxley, particularly with Year 7-10 students and the Home Group of 8.33. I'm keen to get involved with all the

College has to offer and encourage all students to do the same. I have a love for Jesus and an appetite for all things sport. So let's toss the coin, bounce the ball and get this game started!

### Pina Sernio

Let me introduce myself, I'm the new Teacher Librarian and don't try to work me out! I naturally love Maths with a passion and the rest of the time I enjoy delivering PD to teachers on a Literacy Writing Program. Over 35 years, I have taught every Junior year level and both ends of the learning spectrum;

including specialist areas PE, Art, Drama and, of course, Library. I consider myself blessed that life's journey has brought me here to Oxley. I feel a strong calling from God to serve and inspire others and what better than my favourite place, the library!

P.S. I'm a Magpie supporter but don't hold that against me!

### Despina Filippidis

Hello, I have been a teacher of Maths and Science across all Senior School levels for at least 16 years. My teaching career has been punctuated with time off to be at home with my four children, to undertake Post-graduate studies in Psychology and to complete two Clinical Pastoral Care courses in Melbourne's city hospitals.

I am delighted to have this opportunity to teach at Oxley and to share my knowledge with my students within the enriching framework of a Christian perspective. In my free time I enjoy baking, swimming, yoga and reading.

## 2020 Scholarship Registrations Now Closed

Thank you to all parents who have expressed interest or registered their child for 2020 scholarships. Please be informed that registrations for 2020 scholarships have now closed. For families who are interested in 2021 scholarships, please note that registrations will commence in November 2019.

## Camps, Sports & Excursions Fund (CSEF) – Information for Parents

The Victorian Government has established the CSEF to assist eligible families to cover the costs of school trips, camps and sporting activities. These costs are included in the levies that are billed to your school account. If you hold a valid means-tested concession card, (e.g. Centrelink Health Care Card, Veterans Affairs Gold Card, or Pensioner Concession Card), or you are a temporary foster parent, you may be eligible for CSEF.

The annual CSEF amount per student will be:

- \$125 for primary school students
- \$225 for secondary school students

For more information about CSEF, and to download the CSEF application form, visit [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef). Note: Application forms are also available at the Reception Desk at the College's Administration Office. Application forms should be lodged as soon as possible, with payments expected from March 2019.

Please note that the College is required to sight and copy any relevant concession cards that you may hold to support eligibility for the CSEF. Please bring your concession card with you when you deliver your application to the College Administration Office.

Upon approval by the Victorian Government, the allowance will be paid to the College, which will then be applied to your school account.

Should you have any questions, please do not hesitate to contact either Mrs Dawn Pryor, Accounts Receivable Officer, or Mr Andrew Holland, Business Manager, on 9727 9900.

## Enrolments

### 2019

Parents intending to enrol children (who are not already enrolled at Oxley Christian College) for 2019 are strongly recommended to do so now as we have limited vacancies in some year levels. Please obtain an Enrolment Application Form, Fee Schedule and Business Statement from the Administration Office.

### 2020

We are also accepting enrolments for 2020 and beyond (particularly Prep and Year 7) and again, we encourage you to submit your completed Enrolment Application Form as soon as possible.

## Notice to Withdraw

Parents are reminded of their obligation to give the school one full term's notice, in writing to the Principal, if their children are not continuing at Oxley Christian College. The lack of one term's notice will result in the payment of one term's Tuition Fees.

It is also a legal requirement for you to inform us of the school to which your child's enrolment is transferring.
