

The Newsletter of
Oxley Christian College

Issue No 15
11 October 2018

From the Principal

Dear Friends,

We warmly welcome you to the final school term for 2018 and especially the students who have just joined the College. Congratulations to families on making it to this point on the school calendar. We look forward to the celebration of student achievements in view of another wonderful year and the final weeks for our Year 12 cohort. We wish students well in their preparation for final exams. Routine events will kick off these first weeks of Term 4 with the Year 9 into 10 Information Evening, the VCE Arts Festival, a number of Soiree evenings and Year 12 Valedictory Dinner. We look forward to welcoming parents and friends at these evening events.

At our first assembly of the Senior School this week, we introduced and prayed for the student leaders selected for 2019. Recently, Senior students voted for various Leaders and House Captains. Pastor Matt, along with Mr Whittle, Miss Hogan and Mr Kotzé were involved in a subsequent interview process over the last few weeks of last term. College Captains and Vice Captains are yet to be decided and those appointments will be made known at Presentation Evening, as is our normal tradition. I congratulate the students on their appointments and look forward to their contribution to College life over the next 12 months.

I shared with our Senior School leaders, Psalm 100 of King David that reads something like this:

Acclaim Yahweh, praise God all people of the earth

*Worship Him, and come into His presence with
gratitude and joy.*

Be sure you know that the Lord is God

He made us, we belong to Him; we are His people.

*Give thanks and praise as you enter His courts, and
bless His Holy Name.*

*For the Lord is good, His faithful love lasts forever,
across all generations*

It is constant from age to age.

Such knowledge is life-changing when we understand we are the people God has made, and therefore the people who should respond to Him. God wants us to know that no matter what happens in our time, no matter what happened before we were born, no matter what happens after we die, His love and our belonging is across all generations. Therefore, we should have the courage to be the leaders He has prepared us to become. Our hope is that Oxley students will know the presence and love of God in tangible ways, and will intentionally cooperate with God's agendas within the community of God's people over a lifetime.

We take the opportunity to alert families of the need to maintain high standards of student presentation in this term. I refer to how the College uniform is worn and our ongoing requirements for a neat presentation with appropriate haircuts, general appearance and behaviour. We will be discussing these matters with Senior students, along with other matters we are obliged by law to raise with 18 year olds. This latter focus is on the mandatory reporting obligations adults have for various types of abuse. If this is of concern to parents, please contact me at the College.

Christian blessings,

Douglas Peck

ART ENDEAVOURS

Twilight Art Festival | Friday 19 October | 5.00pm to 8.00pm | Visual Arts Building

Artworks on display by Year 7 to 12 students

Musical performances by Melodia, Camerata and Sforzando

Light refreshments will be served

"I am the vine; you are the branches". John 15:5a

Devotions

In Pursuit of Happiness

For some, being happy is such a difficult state of mind to reach. I know for those of us currently in Year 12, with all the stress and emotional moments in the lead up to our exams, being happy is not exactly in the forefront of our minds. This may be the case with many other people. The modern world has so many distractions and everyone is so busy, which can lead to many obstacles being placed in our way. These can be rather detrimental to our mental health. In a day and age where mental health is becoming more and more of a focus, how can we ensure we are as happy as we can be?

We've all heard that exercise leads to endorphins being released in our brains which give us a happy feeling. So naturally, we exercise our bodies to feel healthy and happy. And the rewards are there for all to see. However, this unfortunately doesn't always last. Not only do we need to exercise physically, to reach a state of happiness, we also need to exercise our mind and our spirit.

“Not only do we need to exercise physically, to reach a state of happiness we need to exercise our mind and our spirit”

It starts from the moment we wake up. Being happy starts with you. Being happy is to feel or show pleasure or contentment. To be content with where you are, who you are, to take pleasure in everything you do, but for this to last, we have to exercise this thought. We have to start lifting the mental weights and throwing them away. Happiness is a decision. One we have to make ourselves.

I myself have been through many rough moments in my life, most significantly being separated from my

immediate family. Whilst naturally I fell into a state of sadness and anger, I made a commitment then, to pursue happiness. And for me, that started with me telling myself “I am happy”. Exercising this thought every day, I can take pleasure in everything I do. I always try to have fun and find enjoyment in everything I do. With this I can truly say I'm happy with who I am, where I am and where I will go.

“Happiness is a decision”

Mentally, we need to set up positive habits. We need to regularly take joy and be grateful. So, what is being happy? Being happy is consistently doing the right things for our minds. Choosing to be happy, the results ALWAYS lead to us actually being happy.

What we may miss however, is the need to exercise our spirit and relationship with God. In Psalm 114:15 it is described, *Happy are the people whose God is the Lord*. Jesus tells us, amidst all circumstances, to always live happily. Phillipians 2:17-18 (NIV) says:

But even if I am being poured out like a drink offering on the sacrifice and service coming from your faith, I am glad and rejoice with all of you. So you too should be glad and rejoice with me.

To be 'glad and rejoice' is to be happy and joyful. We're told to keep our relationship with God in fruition, to keep seeking His presence, His spirit. What we can be assured of is, no matter the turmoil or adversity we're in, we are able to have full faith and trust that our happiness will come from God, the provider of true, sustainable happiness. Like all things good, happiness is dependent upon our relationship with God. As such, we are reminded of the importance to exercise our bodies, mind and spirit – to keep faith and relationship with God.

I'd like to encourage you all to keep running with God, to seek joy in life and to know happiness.

Liam Ting
Year 12 College Captain

Senior School

Welcome back to school for the final term of 2018! Year 11s have hopefully returned after a sensational *Night at the Oscars*. This truly memorable event featured a host of local artists, some very experienced and some performing publicly for the first time. Singing, instrumentals, and even a comedy act entertained the close-knit crowd. Food and ambience were excellent, and the outfits which adorned the red carpet were simply outstanding.

The conclusion of the evening featured a large number of students breaking out into dance moves, displaying an amazing amount of youthful exuberance and energy as the hour grew late. Thank you to Mrs Doblin, the Organising Committee and all performers for a truly delightful evening from start to finish.

During Term 3, over 1,500 Parent Teacher interviews occurred over two evenings, which were an excellent opportunity to check progress and, if necessary, realign all members of the learning partnership. Thank you to all parents and students who were able to attend the night and discuss education and other matters. This is an important event in our school calendar but I would also encourage all families to communicate with us as a staff at any time if there are issues which need discussion, as we regard our approachability as a hallmark of our commitment to you.

Year 12s were welcomed back to school early as most attended practice examinations during the second week of the term break. We trust this provided each student with invaluable feedback on progress, areas mastered and areas to revise in the weeks ahead.

An enormous thank you to teachers for setting, marking and providing feedback in an extremely short turnaround time – it is greatly appreciated by all. A thank you to all parents who have played a variety of roles including timekeeper, chauffeur, and counsellor for encouraging and assisting each student to achieve their best. A thank you also to the students who have made the most of this offering by studying hard, completing the examination and reviewing the feedback.

Please know that hard work reaps its own benefits in terms of results, and also in the character that you are developing. During Assembly recently, it was mentioned how we can lean upon our parents, friends, teachers and God in times of need. Please remember that even when undertaking your examinations you are never alone. God is right beside you, along with our continued prayers, support and best wishes.

Joshua is told in Joshua 1:9 of this truth and I believe it to be as relevant now for each of us as it was for him over 3,000 years ago. *Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.*

Greg Barker
Deputy Principal - Head of Senior School

Junior School

Welcome to Term 4! We trust that you enjoyed quality family time and the opportunity to create lasting memories. Students and staff have returned well-prepared for what promises to be an exciting term. This year has simply flown by!

This term, all students in Prep to Year 6 will complete a Multi Genre Writing Project as a component of the English curriculum. This project allows students to express their ideas, concerns and hopes on issues and topics that are important to them. It both empowers and engages students because it gives them a voice. Students will be required to:

- Create a presentation about a chosen topic that has written and visual parts.
- Write a variety of genres to suit different purposes.
- Communicate the ideas clearly using the correct genre structure.
- Organise time effectively and demonstrate their use of the writing process.

Later in the term, we will showcase each student's development as a writer and celebrate this whole school initiative with parents. Please keep an eye out for more information in coming weeks.

Our annual Year 3-6 Basketball Competition was held on the last day of Term 3. Thank you again to staff for their support and to the students for their enthusiastic participation. It was a wonderful way to end the term. Congratulations to Tabor Trojans and Zion Crusaders, who tied for first place, the overall champions for the day.

In Term 4, students may wear summer or winter uniform during the ONE week transition time. Please ensure girls' summer dresses are at the correct length, with the hem to the bottom of the kneecap (when student is standing with head up straight). For further information about student uniform standards, please refer to page 12 in the Student Diary.

Selected Year 4-6 students, who were successful in their events at the District Athletics in Term 3, competed in the Division Athletics today. We look forward to celebrating their efforts.

We also look forward to seeing the Prep-Year 2 students compete in their upcoming House Athletics Carnival on Friday 19 October on our main oval from 9.00am – 12.30pm. Students have been training and preparing well for this event and parents are invited to attend and encourage students in their efforts.

Please refer to the Calendar on the back of The Vine, as well as our website, for information about upcoming Term 4 events in the Junior School.

Class Placement for 2019

Parents are provided an opportunity to communicate in writing, to the Head of Junior School, any specific information which could have a significant impact on their child's class placement for 2019 (eg cousins, neighbours in the same level, etc). As situations can change, requests made in previous years are not taken into consideration. Staffing for each year level is yet to be confirmed so specific requests for teachers will not be considered. All correspondence should be addressed to the Head of Junior School, marked confidential, by Friday 26 October.

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit. Romans 15:13 (NIV)

Sharee Gaiser
Head of Junior School

What Did You Do at School Today?

Prep

This term, we are learning about *Living Things in Science*. On Wednesday, we went on our very first excursion to Healesville Sanctuary. It was exciting to ride on a bus. When we arrived, we went on an Aussie Animal Adventure! We learnt about the Australian animals that make our land unique and discovered how to become a hero and help to save wildlife! During our adventure, we learnt about different kinds of animals, their body coverings, features, habitats and life cycles. We enjoyed watching the *Spirits of the Sky* bird show and met many new animal friends. The Preps are looking forward to an exciting Term 4!

Tahlia, Eloise and Olivia in a tepee they built at the sanctuary

Year 1

It was wonderful to see our friends after a relaxing and enjoyable break. We shared our amazing, unbelievable and simply delightful holiday memories (using creative adjectives). In Maths we are learning how to share collections equally by using different objects, including teddy bears, plastic insects and fruit. In History, we will be stepping back in time to learn about life in the past and compare it with our lives today! We cannot wait for our excursion to Mont De Lancey!

Year 2

In Science this term, we are learning about life cycles and the amazing changes that occur in living creatures as they grow. To help deepen our understanding, we will be learning through experience by observing silkworms progress through the different stages of life. Before seeing our silkworms for the first time, we became inquisitive scientists! We drew scientific diagrams, made predictions and asked probing questions. In Writing, we are working on a Multi Genre Writing Project. This week we have used our Writer's Notebook to identify a topic we are passionate about. It was great to share our topics and think about different genres. Now we cannot wait to start writing!

Year 3

We were thrilled to visit our Kinder buddies at Oxley Kids. We had prepared a special project to show them what we know about information reports. After researching an endangered animal, we published our texts with our buddies as the audience in mind. Our buddies loved seeing our fabulous work and we hope they enjoyed learning from us.

Lucas, Donny and Casey reading their information reports to their buddies

Year 4

Students have excitedly explored the school yard in search of eucalyptus trees. Using a guide, they were able to accurately determine which trees were eucalypts. Many students commented that the eucalyptus oil reminded them of cold and flu rubs. In Maths, students have continued to explore *chance* and have been tossing coins and drawing cards. They are learning to use the correct terminology when describing outcomes. This week also heralds the beginning of the Multi Genre Writing Project in English, where students compose a number of texts on a topic that they are passionate about. We are looking forward to reading everyone's creative masterpieces.

Year 5

After a fantastic holiday break, we were excited to begin learning about desert survivors in Science. We started wondering what animals and plants need to survive harsh environments and how they adapt to their surroundings. In the coming weeks, we will learn how human behaviour also impacts our environment. We are also very excited

to start writing a narrative for the Multi Genre Writing Project. It was interesting to hear about the varied and wonderful passions of our Year 5 students.

Year 6

We thoroughly enjoyed our roles in the Term 3 Junior School Musical, *The Mender*. Both evenings were a wonderful celebration of the hard work and effort to rehearse lines, lyrics and actions! Now in Term 4, we are looking forward to Graduation and preparing for what we believe will be a beautiful commemoration of our Junior School years. This week, we are finalising our topic or theme for the Multi Genre Writing Project. Make sure you ask us what it is and the types of writing we will produce. We can't wait to share our project with you towards the end of term.

Tournament of Minds 2018

Tournament of Minds offers teams of students the opportunity to solve authentic, open-ended challenges that foster creative, divergent thinking while developing collaborative enterprise, excellence and teamwork. Challenges are set in the following disciplines: the Arts, Language Literature, Social Sciences and STEM. Students perform at a regional school event, and this year it was held at Mount Lilydale Mercy College. I would like to congratulate the following students who participated:

Chloe Brookes (7.14), Zara Schulz (8.23), Claire-Annai Hilton (8.34), Jessica Wang (10.3), Miranda Lantry (8.33), Isabella Wildish (8.23) and Eloise Jefferies (7.16).

Heidi Ruhnau
Gifted and Talented Coordinator

Student Reflection

The Tournament of Minds, was although stressful at times, very rewarding in the end. Everyone was faced with their own challenges throughout the process of making tournament of minds happen. The team was made up of a variety of different year levels, including Year 7, 8 and 10. Being in different age groups wasn't the big problem, the bigger challenge was learning to put our minds together and work effectively. In the end, we decided to do the STEM challenge and call ourselves the STEM Squad. The challenge was to create an animal made up of different animal species that already exist, and explain its environment, what it eats and its survival instincts. The animal we made was mainly a mixture of bilby, mouse, frog and bat. Its name, *Bilbat* was hard to decide. We all had different ideas and in the end just picked one. We broke off into small groups to produce the script, clothes, *Bilbat* model and video. A lot of it was left to the last moment but thankfully was completed with time to spare for rehearsals.

Miranda Lantry (8.33)

Sport

Great results in EISM Cross Country

It was a close second place for Oxley Christian College in this year's EISM Cross Country that took place on Wednesday 12 September at Ruffey Lake Park in Doncaster East.

There were some great individual performances on the day:

- Eden Roberts (7.17) won gold in the Boys U/13 3,000m with an excellent time of 11.27;
- Audrey Oastler (8.33) won U/14 Girls 3,000m with a time of 13.42;
- Liam Wilson-Gardner (10.4) won the U/16 Boys 4,000m in 13.31;
- Zoe Sibley (10.2) won the U/16 Girls 3,000m in 12.24.

The team's achievements were due to a great effort by all the students together with an increase in the amount of students participating in the training sessions held on Thursday afternoons and Friday mornings. Congratulations to the medal winners and all the students who participated in the event!

A special thank you to the students who attended Running Group throughout the year. It is clear, by looking at the individual results that their hard work paid off. All these students improved on their times from the House Cross Country carnival.

Running group will continue until the end of the year with a focus on our Athletic season, starting in Term 1 next year.

The final results for Oxley at the end of the event were:

Group	Gender	Placing
U13	Girls	2
U13	Boys	1
U14	Girls	1
U14	Boys	7
U15	Girls	2
U15	Boys	4
U16	Girls	2
U16	Boys	3
OPEN	Girls	4
OPEN	Boys	2

Year 7 girls team

Year 8 girls team

Year 8 boys team

Year 9 girls team

Year 11 girls

Year 9 boys team

Year 11 boys

Year 10 girls team

Year 7 Girls Cricket Team

Our Year 7 Girls recently had the opportunity to participate in the inaugural EISM Girls School Cup Cricket Carnival. The Carnival was introduced after a few schools indicated a great interest shown by girls in the sport. The Carnival took place on Friday 14 September at Kingswood College, Box Hill, based on the 8-A-side T20 Blast format.

Nine very enthusiastic Year 7 Girls were enrolled for the Carnival. They trained on Friday lunch times for a few weeks with two Year 10 boys and Mr Kotzé. Campbell Mole (10.2) and Caleb Hrabé (10.2) were kind enough to give up their time and share their cricket experience with the girls.

Year 10 boys team

The girls with their Coaches, Campbell and Caleb.

The team of Emma Mole (7.17), Stacey Mubaira (7.17), Devanshi Agrawal (7.14), Bek Pocock (7.17), Leila Rivet (7.16), Olivia Bishop (7.14), Kayla Thorpe (7.16), Brooke Waldrom (7.17) and Izabella Barnett (7.17) did very well to finish overall second and managed to finish with the biggest overall run rate on the day! They played against Eltham, Bialik, Kilvington, Oakleigh and Kingswood.

Congratulations on a very good performance and the manner in which you represented Oxley.

Frederik Kotzé
Head of Sport

Girls Footy ends the term with plenty of spirit

Sunny conditions set the scene for a great finale to the term with students coming to school in their footy colours.

Our annual AFL *friendly* game with Years 7-9 girls saw plenty of action at lunchtime. Opposing coaches Angus Hubbard (Boys 8-9 EISM AFL Team Captain) and Ethan Thomas (Boys 8-9 EISM AFL Team Vice Captain) put all mateship on hold as bragging rights was up for grabs! Angus' *Allies* team ended up clinging to victory by seven points over the fast finishing Ethan's *Allstars* team $2.3 = 15$ v $1.2 = 8$. The umpires looked the part and judged each contest with wisdom and virtue.

Victorious *Allies* team with Coach Angus and excited Assistant Sebastian

Highlights and award winners included:

- Year 7 MVP – Carlee Davies closely followed by Jessica Nassar.
- Year 8 MVP – Audrey Oastler (1 goal) closely followed by Chloe Anderson. Miranda Kerr also had a real go and kicked a great goal.
- Year 9 MVP – Imogen Gellert with Tahlia Edwards and Charlotte McGregor also playing well.
- Coaches awards for effort and endeavour were given out by the boys to Natasha Varelas (*Allies* – 1 goal) and Ella Walker (*Allstars*).

Gavin Fox
Sport Teacher

Melbourne United NBL Club Visit

On Tuesday 18 September, the Year 10 Sports Analysis class and Year 8 Home Group Captains went on an excursion to the Melbourne Sports and Aquatic Centre. We were able to watch and meet the Melbourne United players and also play some basketball. We firstly watched them train and were amazed at how quick they play and how they didn't miss a shot. We were blown away by the skills displayed by the players, including the likes of Casper Ware and Chris Goulding, who are some of the best players in the NBL. We then were able to meet with Mitch McCarron, who had played the night before for the Australian Basketball Team and was recruited this year from the Cairns Taipans (NBL team). He gave us some insight about his life and what it takes to become an athlete in basketball and even told us what video games he plays! We were also allowed to talk to the head coach, Dean Vickerman. He explained the capabilities you need to become a great head coach. Dean also said that it takes a lot of hard work and determination, but he knows the winning feeling, as of the eight seasons he has been an assistant coach or coach he has won six titles and a championship in his first year of head coaching.

We also watched a former Oxley student, Ben Ursich, who was trying out for the team and hoping to get into the development squad. We then booked a court and we tried to replicate the Melbourne United drills and scrimmages, but we weren't too great at it, but it was still great fun.

All class members had an additional part to play in small working parties that served the class in a different way consisting of journalists, chaplains, nutritionists, team motivators, mentors, navigators and fitness coaches.

All in all, it was a great day that was thoroughly enjoyed by everyone and we will benefit from the skills we were shown and practised.

Caleb Hrobe and Ben Parker
Year 10 Sport Analysis Class

Congratulations

Hannah wins dance award

On Sunday 5 August, Hannah Jansen (9.20) took part in the CSTD Public Performance Award Exams, a prestigious exam only a few candidates participate in each year (this year there were only 22 in Victoria). Each candidate has to perform two dances in front of an audience and an examiner. After seven months of hard work and dedication, she performed a National Chinese Fan Dance and a Classical Ballet Dance. Hannah was awarded the Dorothy Gladstone Award for Classical Ballet and received a Highly Commended (80-84%) for both dances. Well done, Hannah!

Hannah (middle top row) after the exam

Jacob cleans up at Kooyong

Congratulations to Jacob Reid (9.20) on his outstanding performance in the finals of the 2018 Pennant Competition. In blustery and cold conditions, Jacob won his singles match 6-0; 6-3 in an amazing 38 minutes, and helped his team, Croydon Tennis Club, win their first men's pennant in their 112 year history. That the match was played at Kooyong Tennis Club, only added to the occasion.

Jacob also proudly represents Oxley in the EISM Tennis competition. We wish him continued success in his endeavours.

Jacob proudly holding the pennant flag

James is on the right path

Over the school holidays James Love (8.24) represented Victoria in the Australian Schools Orienteering Championships held in South Australia. This competition was held in conjunction with the Australian National Orienteering Championships. Combining to give eight events, over a nine day period. These events were run to international orienteering standards and attracted participants across all skill levels and ages with the oldest participant being over 90 years old.

Events were held in a variety of terrains, ranging from the semi-arid sand hills of the Murray River near Renmark, to the urban environment of Adelaide, to the lush pine forests and rocky slopes of the Adelaide hills. On average each competitor would cover over 40km over the eight events.

James finished the competitions on a high with 8th place in the Australian Middle Distance Championship. and is looking forward to competing in the New Zealand National Championships next Easter. He hopes to make the Schools team again to compete in the 2019 Australian Championships to be held in the Wagga Wagga region.

James in action

Acknowledgements

The Junior School Production team would like to thank Croydon School of Dance for lending us the beautiful dresses worn by the Wallpaper Ballet Dancers in the opening scene of *The Mender*. We appreciate their generosity and kindness!

Sharon Sutton
Assistant Head of Junior School

Charity Knitting

Thank you to all Oxley community knitters who have handed in knitted items. The latest tally is: 39 toys, 49 beanies, 3 pairs of booties, 3 baby jumpers, 5 children's jumpers, 1 adult jumper, 11 pairs of fingerless gloves, 23 scarves, 145 squares (equivalent to 9 blankets) and 3 full blanket.

Tamara, Kirmin, Vi and Julie enjoying their knitting projects

Any knitted or crocheted items are welcome, this includes toys. There is also a request for knitted Teddies, but they have asked that all teddies be knitted in acrylic wool (due to possible allergies in newborn babies). Patterns are available on their website. www.kogo.org.au/patterns.

Dru Law
Senior School Teacher

Uniform

Summer Uniform Reminders

Boys

Ties do not have to be worn during Term 4, but this is allowed only if you are wearing a short-sleeved Summer shirt.

Girls

There is a changeover period of a week at the start of Term 4, during which Winter uniform may be worn if it is unseasonably cool.

The Summer dress hemline needs to be checked so that it is to the bottom of the kneecap.

All students

Blazers must be worn to and from school every day. (On hot days, a blazer-free day will be announced for the afternoon.) During Term 4 sun hats should be worn at recess and lunch time.

Trevor Whittle
Head of Students 7–12

Welcome to New Staff

Hello! My name is Sorenne Eadie and I'm blessed to have joined the Administration Team as the new Visitor Receptionist. As a past student, I look forward to being part of the Oxley community again and continuing to get to know everyone. I was married earlier this year and am excited to start a new chapter of my life.

Enrolments

2019

Parents who are intending to enrol children (who are not already enrolled at Oxley Christian College) for 2019 are strongly recommended to do so now as we have limited vacancies in some year levels. Please obtain an Enrolment Application Form, Fee Schedule and Business Statement from the Administration Office.

2020

We are also accepting enrolments for 2020 and beyond (particularly Prep and Year 7) and again, we encourage you to submit your completed Enrolment Application Form as soon as possible.

Notice to Withdraw

Parents are reminded of their obligation to give the school one full term's notice, in writing to the Principal, if their children are not continuing at Oxley Christian College. The lack of one term's notice will result in the payment of one term's Tuition Fees.

It is also a legal requirement for you to inform us of the school to which your child's enrolment is transferring.

Caroline Lewis
Registrar

If you are considering Oxley Kids for kindergarten or long day care for your child, please do not hesitate to contact us as we have very limited vacancies for 2019 and are now taking bookings for 2020 and beyond. Phone 9727 9200 to find out how we can help your child begin their Oxley journey!
