Issue No 18
6 December 2018

From the Principal

Dear Friends,

This has been a fabulous year of learning and celebration. Each year we have an overarching theme that builds a more complete understanding of the College vision. In 2018, the theme has been wisdom. That is, the principle that some things are learned only by submitting to certain practices and by becoming accustomed to the habit of particular virtues. This method of learning is certainly true of the Christian life and, specifically, for growing in Christian wisdom. One only learns what it means to love, be formed by and live according to the wisdom of God, by continually participating in Christian practices and traditions. Wisdom is thus best understood not as something static or purely speculative but as a path to take up with its own boundaries that guide us towards the goal, a way of life that continually transforms us. Indeed, the biblical picture is one in which we are encouraged to ask God for wisdom as He gives generously and without reproach, and that the wise person puts the words of Christ into action.

Our world is full of loud and often demanding opinion and political correctness that can make it difficult to know what is right. Impassioned people on all sides of the table have countless opportunities to share their beliefs through books, social media, television shows and the print media. This loud chatter can lead not only to genuine confusion but to a dismissal of reason and truth, and the moral superiority of ignorance. But Oxley holds to a God-given history some 6,000 years in the making. A biblical understanding of history and indeed, the future, makes it possible to rise above the background noise of culture to gain principles for a life otherwise pulled in different directions.

Students who are formed in divine wisdom come to realize that every human being and every part of creation speaks to us the love and goodness of God. Therefore, wonder and delight nurture Christian wisdom because they cultivate in us a truthful and respectful vision of the world, precisely the vision that is necessary to love generously and to act graciously. On the journey of wisdom, this sense of wonder and delight does not diminish; rather, it expands as we participate in and are transformed by the mystery of love and goodness—the unlimited giftedness of life we can never exhaust.

In all end of year graduations, we have seen reflected in the faces of students and staff some of the delightful experiences of another year at Oxley Christian College. We are grateful to God and to the families of Oxley for the shared enjoyment of schooling.

I also highlight the enormous privilege of working with Mr Greg Barker, our Deputy Principal, and Mrs Sharee Gaiser, our Head of Junior School, Mr Maxwell Cuddon and Mrs Caroline Lewis who lead our International student programs, and Mr Andrew Holland, our Business Manager. It is fitting to acknowledge their critical importance to the leadership of the College. I unreservedly thank them, and indeed all our staff, for their comprehensive work on behalf of our school.

For many reasons, Christian schooling in Australia is at a crossroad. Political issues are likely to impact our College and we will move into unknown territory as we begin our 40th year of education.

May the blessing of God's peace be yours at the close of this year and the beginning of the new.

Devotion

As we enter into this special season of Christmas, I pray God's richest blessings upon you and your family. May you enjoy positive family time, safe travels, moments of rest and reflection, good health, peace and joy! In all the busyness, I hope that each of us would have time to consider Jesus and God's incredible gift of Him to us.

May I leave you with this poem by Barb Anderson to reflect upon, which so richly encapsulates the meaning of Christmas and Christ's coming.

1 Peter 1:19 says, *You were redeemed ... with the precious blood of Christ, a lamb without blemish or defect.*

The Coming of the Christmas Lamb

by Barb Anderson

*'Twas the night before Christmas, when over the earth
People were awaiting the Saviour's birth.*

*Shepherds were resting while watching their sheep.
Because of wild animals, they dared not to sleep.*

*Suddenly light shone from the sky high above.
A bright star appeared announcing God's love.*

*The shepherds were frightened and fell to the ground.
In the darkness of the night, God's glory shone 'round.*

*When what to their wondering eyes did appear,
But a choir of angels who said, "Do not fear!"*

*"A Saviour is born in a city close by.
Jesus, the Lord, in a manger does lie."*

*Good tidings of great joy they did proclaim.
The shepherds knew life would not be the same.*

*Why would the angels to us come and sing?
We're just ragged old shepherds with nothing to bring.*

*They rounded up their sheep and off they went.
To find the Saviour, the One God had sent.*

*In the dark of night, the star was their guide.
And soon they arrived at the Saviour's side.*

*There in a manger surrounded by sheep
The Lamb of God was peacefully asleep.*

*The sheep nestled closely to keep Jesus warm.
The shepherds stood watch to keep him from harm.*

*Baby Jesus was swaddled in burial clothes,
A symbol of His death, and triumph over foes.*

*Jesus was the promised one, His work would soon begin.
The Christ child came to save us from all of our sin.*

*The shepherds they spread the good news as they went,
To let others know that a Saviour was sent.*

*When you seek Him and ask Him to make your sins clean
White as wool they'll become—not a spot to be seen.*

*When His gift of salvation you accept and claim,
In the Lamb's Book of Life will be written your name.*

*Yes, the Lamb of God, brought salvation and light.
So Merry Christmas to all and to all a good night.*

God bless,

Pastor Matt

The annual Year 8 Warby Bike Ride heralds the imminent arrival of Christmas holidays as surely as the decorations on houses and lawns, or the selection of music in shopping centres and churches. I had the great joy of cycling from Wandin to Yarra Junction with our delightful Year 8 students and then spending a few hours playing volleyball, while others enjoyed swimming, dodgeball and basketball. This was certainly a great way to wind down as the school year draws to a conclusion and spending quality time with quality people certainly reminds me why I started teaching.

Simultaneously, Year 9 students were displaying their swimming prowess in preparation for the Year 10 Aqua Camp early in 2019. This will assist in ensuring students are safely placed in activities commensurate with their abilities, whether in Boating, SCUBA or Surfing.

Year 7 students enjoyed a very special day of bonding and celebrating the year in review. A series of team building activities engaged the cohort at various places on our fabulous property, punctuated by a filling and nutritious morning tea and a barbecue lunch. The afternoon allowed the students to relax and enjoy watching the movie *Paper Planes* together, to conclude a great day.

We congratulate all of our students on their achievements this year and look forward to seeing them continue to develop and shine in the years to come.

This seems a fitting time to thank the amazing staff of Oxley Christian College, whom God has assembled here to fulfil His purpose in teaching and witnessing to the most important people in the world – your children. Our staff are united in their desire to see each child develop in every possible way, and work incredibly hard to get to know each young person as an individual, and to inspire and lead them along the course God has planned for them.

I would also like to thank you, our families, for your ongoing prayers, blessings, best wishes, trust, support and advice. I feel truly blessed to be surrounded by people who are aiming for similar goals – the very best outcomes for the young people we know and love.

Lastly, I give thanks to God for the greatest gift of all, His only begotten Son, Jesus, through whom we have access to the promise of eternal life with Him.

I would like to take this opportunity to wish you great joy and peace throughout the Christmas season, and beyond, and to pass on to you a blessing from the book of Numbers 16:24-26.

*The LORD bless you and keep you;
the LORD make His face shine on you
and be gracious to you;
the LORD turn His face toward you
and give you peace.
Amen*

Junior School

Today marks the official end of Term 4 2018. As students waved farewell to their teachers and classmates, with Semester 2 reports in hand, we marvel at how much change we have witnessed in one year.

We also say farewell to three Junior School staff, who have served our school community well. I wish to acknowledge Mrs Leanne Saward, Miss Belinda Juchno and Miss Emily Pyman for their exemplary commitment to teaching and learning. They will all be sadly missed. However, we pray God's blessing on the adventures that await, beyond the gates of Oxley. We look forward to officially welcoming four new staff to our Junior School team in 2019 and introducing them to you.

Thank you to parents and friends who visited classrooms to view the students' Multi Genre Writing Projects on Thursday 22 November. The feedback provided to individual students was treasured. Students proudly shared their work and reflected on what they have learned as a writer through this process

I wish to acknowledge and thank the students recently nominated as Peacemakers. Last week, it was my pleasure to host morning tea with these delightful children. Conversation about holidays and Christmas gift lists filled the air, whilst marshmallows melting in hot chocolate caused great delight. Thank you to all students for being inclusive in your play and for showing God's love in practical ways to others.

Prep Nativity was a resounding success, with LMC filled to capacity. Written and arranged by Mrs Joyce Simpson, who was the first Prep teacher at Oxley, the play has been performed in its current form since 1983. It was the 35th anniversary of this performance. Many of the costumes were also originals. It was wonderful to welcome Joyce as a special guest. Go to page 7 to view photo highlights.

It was fitting to acknowledge our Year 6 students as they celebrated their Graduation. Over the past weeks, students and teachers have been planning this event and recollecting fond memories of Junior School. Please join us in praying for, and congratulating, our Year 6 students as they prepare for their upcoming transition to Year 7. Go to page 6 to view photo highlights.

On Friday 30 November, students merrily visited their 2019 classrooms and met their new teachers! What a wonderful opportunity to instill a sense of hope and anticipation for the year ahead. Thank you to our Junior School staff for ensuring this was such a positive experience!

It was an honour to host Final Assembly on Tuesday 4 December. The performances of our Combined Choir and Junior School Ensembles were exemplary. Such a special way to celebrate the year and acknowledge the efforts and achievements of every student. Thank you to parents, friends and staff for your support. A highlight was announcing the school leaders for 2019. I commend these students to you and look forward to their leadership of the Junior School in the year to come:

Thank you to every student and family for their ongoing support of Oxley. We wish you and your family a safe and blessed Christmas and look forward to welcoming you back for what promises to be another great year of learning in the Junior School. We look forward to welcoming students back to school on Thursday 31 January 2019.

For to us a child is born, to us a son is given, and the government will be on His shoulders.

And He will be called Wonderful Counsellor, Mighty God, Everlasting Father, and Prince of Peace. Isaiah 9:6 (NIV)

What Did You Do at School Today?

Prep

What a wonderful year of Prep we have had! We have learnt so many new things and enjoyed many fantastic experiences. We know the letters of the alphabet and even some digraphs and trigraphs. We can read books and talk about them with our friends. We loved writing our Multi Genre Writing Projects and having so many people come and see our interesting work. We wrote narratives, information reports, poems, procedures, cards and drew detailed maps. Last week, we performed the Prep Nativity. We loved sharing the story of the birth of Jesus with our family and friends. We sang beautifully, spoke clearly and remembered all our parts. We are now looking forward to holidays and learning more in Year 1!

Year 1

It's been a year of growing, learning, friendships and fun. We were excited to visit our new classrooms and meet our teachers for 2019. Our highlights this year have been studying minibeasts, seeing the 3D butterfly movie at IMAX, stepping back in time at Mont De Lancey, leading Chapel, and hosting our grandparents for an afternoon of fun and food. Miss Juchno and Mrs Palmer can't believe how much we have learnt and how big we have grown - and they will miss us very much! Many blessings for a safe and happy holiday.

Year 2

Wow! What a year it has been. We have learned, discovered, explored, prayed and worshipped together as an amazing year level. There have been so many highlights that will stay in our memories forever, including our sleepover. We have appreciated the support of all the specialist teachers. Thank you Mr Gaschk, Mrs Sutton, Mrs Hill, Mrs Walker, Mrs Saward, Mrs Ong, Mrs Gaschk, Mrs Bills, Mrs Radford and Mr Ong. We are now ready for the challenge of Year 3 and cannot wait to continue our learning journey. We wish you all a blessed Christmas!

Year 3

We had a great final session with our buddies at Oxley Kids. We loved being a practice audience as they performed their Christmas songs. Together we made Christmas crafts, such as pine cone decorations, glitter hand prints and wreaths. We are super excited to see some of them at our school in Prep next year. It has been a joy being a big buddy to our Kinder friends.

Year 4

What a joy filled week it has been in Year 4! From sharing our fantastically presented Multi Genre Writing Projects to our families and friends, to meeting our new teachers for 2019, it's been a week to remember! We have been busy as bees finishing our ICU unit on life cycles and

excitedly sketching and labelling the results of our seed experiments. Some of our seedlings are growing and stretching to the sky and others are still lying dormant, affected by a lack of light, over-watering and sand. We are looking forward to planting our seedlings in our beautiful school environment this week.

Year 5

What an amazing year we have had in Year 5. Many memories were created during many exciting and engaging activities. Sovereign Hill Camp, excursions to the Melbourne Zoo, Planetarium, Scienceworks and IMAX are just some of the highlights. We congratulate everyone on their personal achievements and learning this year. We also applaud the students appointed to the Year 6 leadership roles for 2019. Have a safe and Merry Christmas.

Year 6

Although our year is coming to an end, there are many exciting beginnings ahead for us. Year 6 Graduation was a tremendous time to celebrate our schooling. Current and past teachers attended and we joyfully reflected on old memories together, as we guessed the identities of students and teachers by looking at our Prep photos. We were surprised to see how much we have grown, yet how similar we still are. Year 7 Transition gave us the opportunity to meet our buddies and some of our new teachers for 2019. As we spend our final week together, we anticipate the amazing things that we have to look forward to.

Five teams in Year 8/9 EISM Grand Finals

The Year 8s and 9s did very well in EISM sport during Term 4 with five teams playing Grand Finals on Thursday 29 November. Three of the five teams were crowned premiers. Congratulations to the girls soccer, boys volleyball B and badminton teams on bringing the trophies home. The girls volleyball B and girls tennis teams were runners-up for 2018. Congratulations on a great achievement!

Thanks to all the Year 7s, 8s and 9s for their great effort during Term 4 and I hope we can build on your success during Term 1 2019. All the teams who participated during this term were exemplary with good behaviour and sportsmanship.

The Year 8/9 teams who participated in EISM team sport during Term 4 were acknowledged during a special sport assembly in the Stadium on Thursday 29 November. The following students received medals for Most Valuable (MVP) and Best Team Player (BTP).

Sport 2019

Our Sport program for 2019 kicks off with our first round of EISM Senior Sport on the first Wednesday back next year on Wednesday 6 February. This means there will be no time for trials for our Senior students, except the trials we held at the end of Term 3. Students will be assigned to teams according to their EISM participation history and where they are needed most to represent the school.

A list of the teams will be distributed in HG folders on the first day back on Thursday 31 January. Students who missed out on a team and feel that they have a strong case to be included must discuss it with Mr Kotzé as soon as possible.

All Year 8 and 9 students will have Sport on their first day back next year and must therefore please remember to

bring their PE uniforms to school on that day. Students in Year 7 to 9 will be focusing on training for our Swimming and Athletics carnivals. Our House Swimming carnival will take place on Friday 15 February and the House Athletics carnival will take place on Thursday 7 March. Students will be notified about swimming and athletics trials at the start of the year.

Congratulations to all our students for your contribution to sport in 2018, especially those who served as captains in the many different teams. A big thank you to all our Year 12 students who willingly gave up their time to represent Oxley in their final year. Thanks to all our students for the way which you represented the College this year. Let us make 2019 an even bigger year in Oxley Sport. Keep fit during the holidays and I hope to see you all back in 2019. I wish you all a Blessed Christmas and a prosperous New Year.

Middle Years Musical

Our 2019 Years 7-9 students are buzzing with excitement this week, as we have announced that we will be presenting a Middle Years Production in August. Auditions will be held in February, with further details to come at the beginning of the school year. *High School Musical Jr* tells the story of a group of teenagers who break the status quo to embrace diversity and use their unique talents. Filled with vibrant musical numbers, bright costumes and big personalities, this show is sure to be a wonderful celebration of our students!

Youth photography winner

Campbell Mole (10.2) was one of five winners of the Australian Bird Photographer of the Year competition awarded by *Bird Life Australia*, Australia's largest bird conservation organisation. He also had two other photographs short listed in the top 120. To view Campbell's photos, visit www.birdlifephotoaward.org.au.

Young hawk in the making

Xavier Leslie (8.34) was recently accepted into the Eastern Ranges under 15 AFL squad and was also selected to join the Hawthorn Football club *Next Generation Academy* under 15 team. Well done, Xavier!

Circle of Life

Congratulations also to our Year 3 students Xander Marchione, Charlotte Sutton and Holly Hume for their recent performance at the Croydon School of Dance annual concert *The Circle of Life*.

Charlotte also was the proud recipient of an excellence award for her contemporary dance this year.

First Aid

Medication

The First Aid Office will be open from 8.15am to 4.15pm Monday to Friday until Thursday 13 December. If your child has medication stored in the First Aid Office, would you please collect it prior to this date. If medication is not collected and expires before Term 1 2019, it will be disposed of through the local chemist. If you wish to continue to have medication held in the First Aid Office for future use, a new Administration of Medication form should be supplied to the First Aid Officer. Forms may be downloaded from the Parent Portal.

Medical Care Plans

All 2019 students with conditions such as, but not limited to, Asthma, Anaphylaxis, Diabetes or Epilepsy will be required to submit a new medical care plan. All plans must include a current colour photo, clear instructions from a treating doctor and the doctor's signature. All plans must be current – i.e. less than twelve months old. Most of these plans are able to be downloaded from the Parent Portal.

I would like to take this opportunity to wish all our Oxley families a very happy and safe Christmas. It has been my pleasure to assist you during the year and I look forward to seeing many of you again next year. To those who are leaving I would like to wish you every success and happiness and may God bless you.
