

The Newsletter of
Oxley Christian College

Issue No 13
15 October 2020

From the Principal

Dear Friends,

We are so very pleased to welcome students back for learning onsite, and we look forward to having all students return as soon as possible. While our highest concern at present is student welfare, there is no doubt that a quick return to classroom routine will greatly assist the wellbeing of most students. I congratulate families on their resilience and determination over the past few months of remote teaching and learning. Thank you also for the many supportive comments to our staff as they have worked under less than ideal conditions.

Having just welcomed them back, we now extend to our Year 12 graduating class good wishes for the last two weeks of their school year and for the examinations next month. A detailed account of final events for this group will be provided soon, and our prayers for a successful year, in spite of the difficulties, will accompany them. Our task over many years has been the nurture and formation of a virtuous character and the development of skills in learning how to learn. We want the best for students so that they flourish in any future setting and will eventually be able to look back on a life well lived. In addition, at the time of enrolment, we trust parents were choosing the College as a Christian community and culture in which to immerse their child. Indeed, our staff will have been delighted to have contributed to such a culture and expectation of Christian mission covering their teaching and learning. Our hope is that graduates will be restless in the search for truth especially in the inner journey of spirit, so that along with Augustine, students will come to say; *You have made me for Yourself, O Lord, and my heart is restless until it finds rest in You.*

The excitement of our Junior School students in seeing the progress of new buildings is palpable. Progress is on schedule and over the next two weeks the second half of this project will take on a more definitive shape. Sharing roads with builders can be tricky, but for the most part, family drop off and collection at the carparks is unimpeded. We appreciate greatly your patience as drivers, and hopefully, the drop off and pick up routines will settle into a better pattern in coming days.

We are hopeful that the government will begin to relax restrictions from next week. This may not affect

schools as much as we might like. If nothing else, the pandemic has provided many opportunities to reflect on the relationships between health and economics, relationships of trust and fear, and relationships between government and the governed. The fragility of both life and our assumed human rights have been discussed endlessly. In a lot of respects a Christian education is one that cultivates the human spirit by presenting a complete vision of humanity as we live and ought to live in all domains – the individual, social and religious. It teaches how to fulfil our obligations to self, to others and to God and His creation. Its understanding of humanity is of course, normative and prescriptive in that we must recognise and accept as fundamental the human stature that it seeks. It is not something that can be forced on anyone, but rather, depends on an awakening of spirit, a delightful and joyful realisation that the treasure to be found is unquestionably worth more than anything else. As **Matthew 13:44** puts it, *the Kingdom of Heaven is like a treasure hidden in a field. A man found it, hid it again, then in great joy went and sold everything he owned and bought that field.*

Warm regards,
Douglas Peck

"I am the vine; you are the branches". John 15:5a

Chaplain's Corner

Operation Christmas Child

Each year, we have the opportunity and the privilege to partner with Samaritan's Purse and Operation Christmas Child, to provide a gift to a child who is underprivileged, living in a developing country and in desperate need of love and hope and the good news of Jesus Christ. Oxley has been putting together Christmas Shoeboxes for over 19 years and was one of the very first schools to take part when the program was first established in Australia.

In all the years we have been involved, this year, your help is needed more than ever. We want boys and girls around the world to know that God loves them and has not forgotten them during this time of fear and uncertainty. Will you help fill a shoebox this year?

Normally, for your convenience, a shoebox has been sent home with all Junior School students, Year 7 students and to students from higher year levels who have requested a box. This year we will only send shoeboxes home with those who specifically request one. Students can request a box via their Home Group teacher. Alternatively, you may have an old shoebox that you can re-purpose and even decorate?

Information explaining how to pack your box, what items to put in your box and what should be avoided can be viewed at: <https://oxley.cc/shoebox> There is also a request for a voluntary \$10 donation to help fund the substantial costs involved in seeing over 370,000 gift-filled shoeboxes hand delivered to seven nations around the world.

Alternatively this year, if shopping for and preparing a box is difficult for you, **a new option exists where you can purchase a pre-prepared box for \$30.** Samaritan's Purse will source the items and pack the box on your behalf. For this option, visit: <https://oxley.cc/packonline>

In January 2020, a team of 19 Year 12 students and four staff travelled to Cambodia, where they had the opportunity to distribute some of these shoeboxes and see firsthand the difference they can make in the life of a child. Every child receiving a shoebox will also receive a Greatest Journey booklet, translated into their language. This helps them to understand the love of Christ, as shown through those who have prepared and shared a box.

Don't forget that shoeboxes are only the beginning, an entry point into a community.

PACK A SHOEBOX!

SEND GOOD NEWS & GREAT JOY AROUND THE WORLD

I have seen, firsthand, how a shoebox distribution in a community soon turns into water filtration projects, safe migration training, parenting classes, establishment of maternal health centres and the rebuilding and resourcing of schools. Together we are making a quantifiable difference!

Completed shoeboxes should be returned to the designated trolley, in front of the Administration Building by **Friday 30 October 2020.**

It is with sadness that we did inform Year 11 students this past week of the cancellation of the 2021 Cambodia Trip, where they would have had the opportunity to hand out these shoeboxes in person. Unfortunately, with the Covid-19 situation as it stands, Samaritan's Purse is unable to run the trip, with international travel still unavailable. We look forward to investigating alternative opportunities for these students as restrictions begin to ease.

Thank you for partnering with us to help transform lives! Let's get shoebox packing!!

Pastor Matt
Chaplain

AS YOU PRAYERFULLY PREPARE TO PACK YOUR SHOEBOX GIFT ...

Please remember that your shoebox may be the only gift the child ever receives of this kind. So, plan to pack quality items that will last.

1. SHOEBOX: Order your pre-printed shoeboxes online or use a regular size shoebox with a lid no larger than an A4 page.

2. GIFTS: Choose a boy or girl and age group (2-4, 5-9 or 10-14) and fill your shoebox with gifts (see back of this brochure for gift ideas).

3. PRAY: Most importantly, pray for the child who will receive your gift. Include a personal note and photo.

4. INCLUDE A \$10 DONATION: A donation of \$10 is critical to cover shipping and other project costs. If you give online through **Follow Your Box** you can discover the destination of your shoebox.

5. LABEL: Every shoebox must be clearly labelled. If you ordered **Follow Your Box** labels, do not photocopy the barcoded label as it will not scan.

6. DROP OFF: Take your shoebox gift to a local drop-off point during **OCtober**. Visit our website to find one near you.

For additional gift suggestions and more, visit [OPERATIONCHRISTMASCHILD.ORG.AU](https://www.operationchristmaschild.org.au)

Senior School

It is a great pleasure to have so many students back at the College. A wonderful, sunny day welcomed the return of Years Prep-3, 7 and VCE, with teachers and students alike delighted to move from remote learning to our traditional and much loved face-to-face approach.

Jesus tells the story of the Prodigal Son who asked his father for his inheritance, spent it quickly and wastefully, and then started living rough. Eventually he decided to return to his father and ask his forgiveness, and beg for a job, even if it was the lowliest position available. His father's response is recorded in **Luke 15:20**, *But while he was still a long way off, his father saw him and was filled with compassion for him; he ran to his son, threw his arms around him and kissed him.* And then further in **Luke 15:22-23** we are told, *But the father said to his servants, "Quick! Bring the best robe and put it on him. Put a ring on his finger and sandals on his feet. Bring the fattened calf and kill it. Let's have a feast and celebrate."*

As we spend time together with our young people, your children, it is really easy to imagine the emotions of the father as he welcomed his son back after such a long time away. The news reminds me that it has been just 10 weeks since onsite learning began (although for some year levels it was different), but it felt much longer. Yet, as we return to the classroom, in many ways it feels like we never left. Our College family is back and we are overjoyed to see, instruct and care for them, and do all we can to make the remainder of this year enjoyable. Great learning will certainly occur but, as this year has frequently reminded us, the wellbeing of our community and particularly our young people is of the utmost importance, mentally, physically, spiritually and emotionally.

For all Year 8-10 students, please hang in there and know we eagerly anticipate your return soon! We know most of you would like to be back here right now and you have been extremely patient. Remain patient and hopeful, keep working hard and we will be reunited soon. When you return, the College will quickly feel exactly as it should – a Christian village-like community of committed adults looking after amazing young people, each teacher sharing the joy of nurturing and educating each child.

Dear parents, we are continually grateful for your support, prayers, well wishes, and the vital role you have

played in supervising remote learning. Who could have imagined last year that you would be required to take on this duty in 2020, in addition to the complex challenge of parenting. Thank you for all you have done, and please know that although the environment changes, your children will continue to be in the best of care at Oxley.

Greg Barker
Deputy Principal – Head of Senior School

Junior School

Welcome to Term 4! Prep-Year 2 students returned to school on Monday 12 October, with a sea of smiles and joy-filled greetings (and that was just the parents!). On Tuesday 13 October, Year 3-6 students returned, eagerly reconnecting with their friends and teachers. What wonderful adventures and quality learning time students and staff now have before them. We are fully prepared to focus well for the remainder of the school year and celebrate every moment we have together at school. In a year of resilience building, we continue to use language with students that is dripping with hope, anticipation and joy! Term 4 promises to be one of growth, celebration and of creating many opportunities for success. We WILL end this year well.

In Term 4, students are required to wear summer uniform and their Oxley regulation sunhat. If possible, please ensure girls' summer dresses are at the correct length, with the hem to the bottom of the knee. We do know that there may be challenges to get hems fixed without using the sewing skills of someone outside the home. Likewise, there will be a relaxing of expectations around hair length until such time as students are able to visit the hairdresser. We do ask that students have as neat a hairstyle as possible, with hair off the face, and continue to wear their uniform with pride. Please refer to pages 12-13 of the 2020 Student Diary for details of our Student Uniform Standards. As we draw closer to end of year events, uniform and hair checks will resume and parents will be advised accordingly of anything requiring attention.

Early in Term 3, we acknowledged our Semester 2 Home Group and Enviro Captains at a special online Chapel. During the term break, these students were sent their badges and a certificate acknowledging their new role. Families were encouraged to conduct a special

ceremony at home and send through photos of the students proudly wearing their new badge. Please join us in again congratulating these students.

Enviro Captain - Emma (Prep G)

Enviro Captain - Mawinu (Prep M)

Enviro Captain - Logan (1A)

Enviro Captain - Boen (2M)

Enviro Captain - Hannah (3A)

Enviro Captain - Jadon (3B)

Enviro Captain - Hayoung (4K)

Enviro Captain - Ryder (4B)

Enviro Captain - Nicholas (6W)

Home Group Captain - Elizabeth (4B)

Home Group Captain - Steffan (4B)

Home Group Captain - San Lian (5R)

We also look forward to seeing our Prep - Year 2 students compete in the upcoming House Athletics Carnival on Friday 30 October on our main oval. Students will commence training and preparing for this event in their weekly Physical Education lessons. We will run the event differently this year, on a class by class basis, due to Covid-19 guidelines for schools and sport. Unfortunately, parents will not be permitted to attend this event. We will, however, take lots of photos to share.

Parents are reminded that Friday 23 October is a public holiday (Friday before AFL Grand Final). Please refer to the Calendar on the back of *The Vine*, as well as our website, for information about upcoming events in the Junior School.

2021 Class Placement

Parents are provided an opportunity to communicate in writing, to the Head of Junior School, any specific information which could have a significant impact on their child's class placement for 2021 (e.g. cousins, neighbours in the same level, etc.). As situations can change, requests made in previous years are **not** taken into consideration. Staffing for each year level is not yet confirmed so specific requests for teachers **will not** be considered. All correspondence should be addressed to the Head of Junior School, marked confidential, by Friday 23 October to be considered.

A happy heart makes the face cheerful, but heartache crushes the spirit. Proverbs 15:13 (NIV)

Sharee Gaiser
Head of Junior School

What Did You Do at School Today?

Prep

We are so excited to be back learning at school. It was wonderful to see our friends that we have not seen for a long time. When we walked in, we saw all the building works that have taken place for the new Junior School. We liked seeing the trucks and cranes moving things around. We are looking forward to starting Enviro this week, where we get to visit the Enviro Barn and wear our gumboots!

Year 1

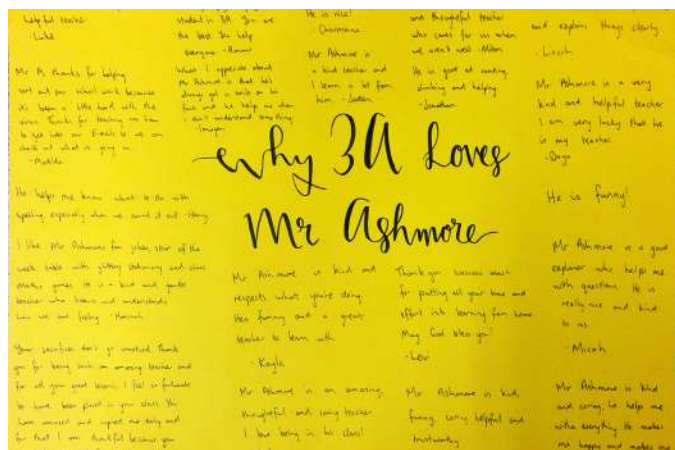

Our Remote Learning finished with a mini project on the Mathematics topic, *Duration*. They created an artistic representation of the days of the week, months and seasons, in sequence. On the first day back at school, there was a buzz in each class, fewer teeth and greater height. The students enjoyed each other's company and learning once again in the classroom. It is wonderful to have the students back at school and we thank parents for their hard work, assisting their child with Remote Learning while juggling family and work commitments.

Year 2

What a wonderful start to Term 4 the Year 2s have had! We have been so excited to fill our classrooms again with happy faces. It has been wonderful to spend time connecting with our friends again and enjoying discussing our amazing ideas for our Multi Genre Writing Project. One of our highlights was seeing all our specialist teachers and practising our instruments for our upcoming Strings performance.

Year 3

We were so excited to be back at school again this week, seeing friends and sharing stories from Remote Learning! Mr Ashmore and Miss B are so proud of their student's positive attitude, effort and hard work. There was a special surprise waiting on each teacher's desk on Monday morning too! The students of 3A and 3B had written encouraging notes about what they love about their teacher.

Year 4

We have been incredibly resilient, developing many new skills whilst learning remotely over the past two terms. When responding to the question, *What new thing did you learn that wasn't academic?*, the answers were varied. Some students realised how important friends were to their personal health. Others developed self-control, were proud of mastering routines and developed deeper connections with their family. Skills in the areas of gardening, table tennis and horses were developed. Many also advanced their IT skills, using programs such as Zoom, MS-Teams and Outlook. But when answering the question, *What are you most looking forward to when you come back to school?*, the responses were overwhelmingly the same: they are all looking forward to seeing their FRIENDS, face to face and in person!

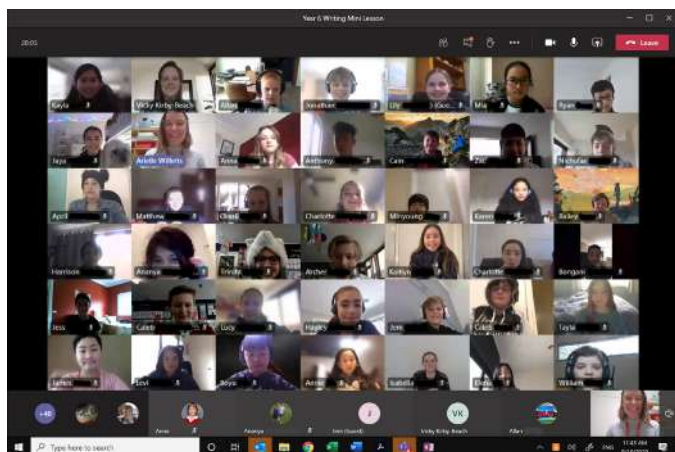

Year 5

Congratulations to every Year 5 student and parent! We did it! We have been so proud of the effort of every family to work together to make our online learning as successful as possible. Thank you! We now have started our narrative writing for our Multi Genre Writing Project, with each student selecting a topic to write about that is a passion for them. In Integrated Studies, we have begun learning about business and we will be discussing business plans to develop in small groups. We are so excited to be back onsite and are looking forward to celebrating our achievements in person this term.

Year 6

Hooray! It has been wonderful to see each other's faces during our *MS-Teams* calls and to record this snapshot of our year level during one of our final remote classes. Mrs Kirby-Beach and Mrs Willetts are incredibly proud of how we have become more confident to ask for help and to apply feedback to our independent work. This week, we are learning how to connect percentages, fractions and decimals and we are 100% excited that we can learn these skills together at school. We know that our final quarter (1/4) of Year 6 is going to be incredibly special. We are so thankful to our parents who have supported us at home for 0.5 of the year.

Junior Sport

Fitness Tip: Work out with a friend

Term 4 is here and the students are back! We had so much fun last term participating in many challenges. One of the favourites was the *Build Your Own Minigolf Challenge*, where students had to use household items to design a minigolf course.

Matthew (4B) – enjoying his homemade minigolf challenge

A return to school also brings a close to our home fitness challenge where we saw some incredible results. As a Junior School, we managed to travel a total of 11755 km; an extraordinary effort!

The following students are congratulated for amassing the greatest distance in their year level. The Tabor

Trojans (White House) finished 1st with 6013 points, Zion Crusaders (Blue House) were 2nd with 5713 points, and Gibeon Warriors (Red House) placed 3rd with 5471 points. Congratulations to all students who participated in this competition.

Music

Welcome back to Term 4. Our Music Department staff are so happy to have students returning to school. The BPAC comes alive again with the sound of music!

We want to congratulate students who participated in online lessons on the success of their lessons during this period of remote learning. We have all been amazed at how much progress has been made by all students.

Most of our private music lessons and string ensembles will be returning to lessons and rehearsals as students return to school. Our Senior students have been advised to find their timetables on SEQTA and Junior students should have already received their timetables for the

next two weeks via email. At this stage, timetables have been completed until 22 October. The timetables for the remainder of the year will be completed soon.

Our students are such a joy and have a lot they can share with the whole school community. In each newsletter we will be inviting one student to share their experiences of playing music. This week we would like to introduce you to Kayla, our Junior School Performing Arts Captain.

Hi! My name is Kayla, and I am currently in Year 6. I have been playing the piano and violin for five years. What I like most about playing instruments is being able to play different musical pieces and creating sounds while having fun.

I have been part of the school choir, Vivace ensemble and string ensemble. I enjoy playing in ensembles because it helps you to work together as a group and you can make music that you can't with just one person.

I have been having online music lessons and it has been useful to ensure I can continue improving on my music skills. While remote learning has its challenges, it allows to connect with each other in a different way and continue to learn while in lockdown. I have now learnt how to adapt to new ways of learning and how to be resilient.

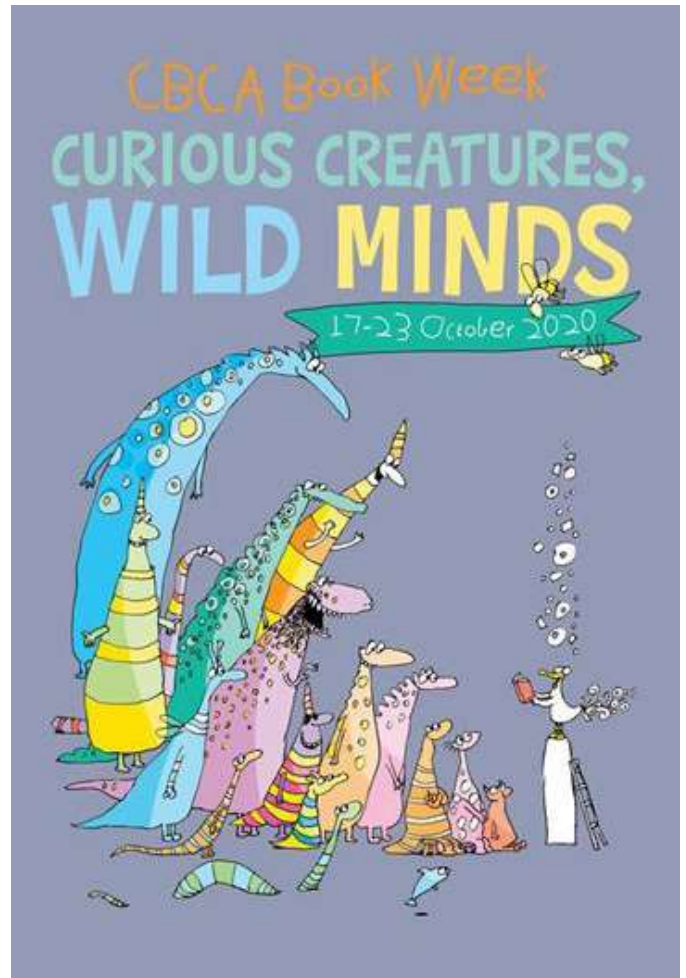

Please email apecock@oxley.vic.edu.au if you have any questions about music lessons or ensembles.

Angela Peacock
Performing Arts & Events Administrator

Resource Centre

Book Week is a special event in the Oxley school calendar. This year Book Week runs from Saturday 17 – Friday 23 October.

As part of our celebrations students are invited to dress up as their favourite book character or bring their favourite book to share in class time on Wednesday 21 October.

Ruth Hogg
Resource Centre Manager

We are so happy to be back!

Duke of Ed Class Welcomes a Special Guest Speaker

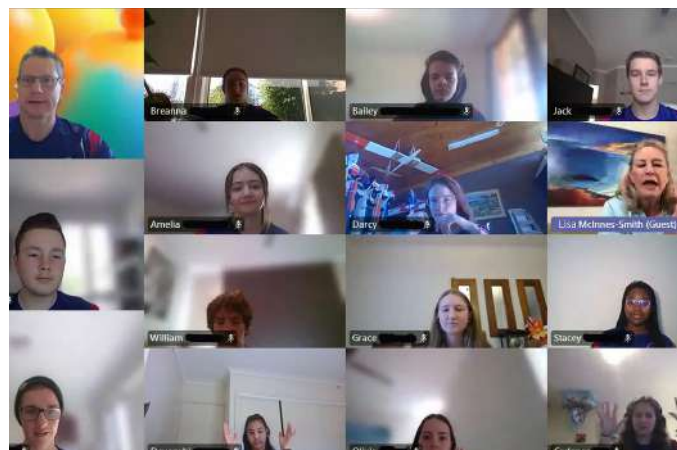

One benefit of lockdown meant that the Oxley Duke of Edinburgh class managed to secure special guest, Lisa McInnes-Smith! The high-in-demand, well-known motivational speaker and author, would have been overseas or at a national corporate conference if all things were as *normal*.

A little bit about Lisa –

- Has spoken to over 2.5 million adults and youth in over 28 countries;
- Has shared the stage with two American Presidents;
- Was the first non American to be inducted into the International Speakers Hall of Fame;
- Has written seven best selling books;
- Was awarded keynote speaker of the year in 2017 by Professional Speakers Association of Australia;
- Is a transformational coach, peak performance professional, is not a motivational speaker but leaves audiences motivated every time.

So, it was our privilege to have Lisa drop into a video conference chat with our class on 11 September!

Students enjoyed hearing about using their strengths, focusing on what you've got and not what you've not, positive relationship skills, posture, smiling and body language and that the words we use matter to ourselves and to others! We thank Lisa for her contribution and hope she can spread her winning words to others personally really soon.

The Duke of Edinburgh International Award is the world's leading youth achievement award, equipping young people for life. The College is proud to offer it as a Year 9 elective with a difference. In the last 50 years, nearly 150,000 young Victorians have gained life and leadership skills to become empowered young leaders, involved community members and have tapped into their potential. It aims to engage, equip and recognise young people. In 2020, 40 Year 9 students are completing their *Duke of Ed Award*.

Students have set goals in the areas of physical recreation, skill and service to others fulfilling these in their own time whilst being supported during class time. Unfortunately this year, the Year 9 Adventurous Journey Camp component has been cancelled. However, we look forward to students completing the Award in 2021 after the Year 10 camp.

Gavin Fox
Duke of Edinburgh Award Coordinator

Welcome to New Staff

Mitchell Gaiser

Hi all! I am currently studying to be a primary teacher and am in my final year. It is truly a blessing to be part of the Junior LSA team and I am grateful for the warm welcome I have received from both the students and members of staff. I give thanks to God for this wondrous opportunity and am excited to support students returning to onsite learning.

Enrolments

2021

We have limited vacancies for next year and would encourage you to submit your Enrolment Application Form as soon as possible, if you wish your child to be considered for a place.

2022

We are now accepting enrolments for 2022 and beyond (particularly Prep and Year 7) and look forward to hearing from you if you wish to enrol your child(ren).

Notice to Withdraw

Parents are reminded of their obligation to give the College one full term's notice, in writing to the Principal, if their children are not continuing at Oxley Christian College. The lack of one term's notice will result in the payment of one term's Tuition Fees.

It is also a legal requirement for you to inform us of the school to which your child's enrolment is transferring.

Caroline Lewis
Registrar

We have extremely limited places only for 4 year old kinder for 2021. Contact us ASAP if you need kinder for

OXLEY
CHRISTIAN COLLEGE

Oxley Christian College and Launch Pad Writers Club
proudly present

I've Never Felt More At Home

TALES FROM THE PANDEMIC
BY OXLEY CHRISTIAN COLLEGE

In this new paperback anthology of short narratives by the Year 7 cohort of 2020, we have captured the essence of this historic and tragic year. In years to come, young people will ask what 2020 was like – that is why books like this are important.

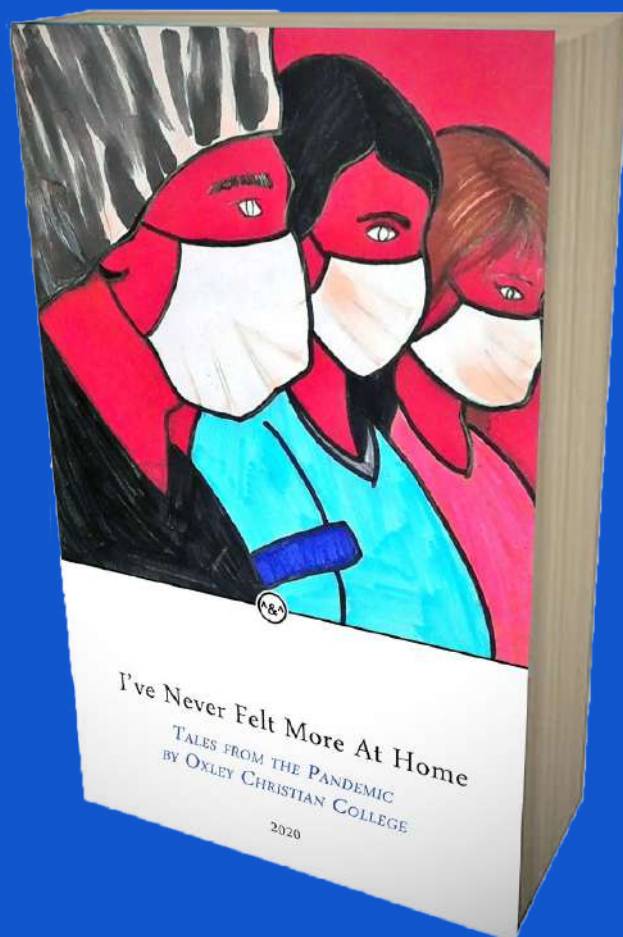

The book is now available for pre-order at:

www.launchpad.vic.edu.au/bookstore

Order your copy by 13 November for free delivery to the College before the Christmas break. Orders after this date will incur a shipping fee and be home delivered.

Congratulations Oxley Christian College on another great anthology!
