Oxley Christian College*

*Issue No 15
19 November 2020*

From the Principal

Dear Friends,

Planning for 2021 involves several staff changes. I am delighted to announce some of the leadership roles coming about next year that include Mrs Vicky Kirby-Beach as Assistant Head of Junior School, Mr Jeffrey Clarke as Head of Performing Arts, Ms Rhiannon Coates as the new Year 9 Coordinator and Mr David Cutler as the Assistant Year 7 Coordinator. Mr Tim Eddy has requested a break from the demanding role of Coordination, hence Ms Coates' appointment. This year we will farewell three long-serving teachers in Mrs Jennifer Humphreys, Mr Matt Burrow and Mrs Kristi Reeves. Others leaving the College include Mrs Monica Olivier, Mr Kyle Bienvenu, Mrs Nicole Gardner, Miss Catherine Hallyburton and Mrs Joyce Visser. Mr Max Cuddon will stand down from his role as Head of International Student Studies, and an urgent prayer point is for a suitable applicant to take over that role. And I also express our gratitude to Mrs Melissa Brydon who stepped into the role of Office Manager for the past few months at short notice. We will miss the staff leaving us and take this opportunity to wish them all well in their new season of work and leisure. Meanwhile, our College has been blessed by outstanding people who will be introduced as they take up the available positions in the new year.

In this period of assessment of student work, especially in the Senior School, it becomes so obvious that what we test is what we think is important within a learning discipline. That is often a challenging idea or belief to reflect upon. Defending what is in a test can be difficult. Of course, in VCAA assessments we have no say in the content of examinations. They nevertheless convey what is believed to be important in the state and national curriculum. Tests are predictable to the extent concepts and skills are learned within the broader framework and patterns of a discipline and the assessments of previous years. Exams are usually considered to conclude a topic of study, and yet, we know that they are in fact an opening to the rest of one's learning in a field of study.

We wish all our students the very best for their exams and the other forms of assessment. Our hope is that they are able to genuinely celebrate their great efforts after a challenging year.

Having said all that, the things we evaluate less are probably more important in a person's life. How do we assess human formation in the broader sense? How do we measure human flourishing and a person's affections for truth, goodness and beauty in life? These ultimate goals, aimed at allowing a person to look back on their life as well lived, need to be built into our medium and short-term goals in education if they are to have any lasting effect. Otherwise they are unlikely to be part of our formation. We need to celebrate the right things and provide integrity around the learning of Christian virtues and wisdom. Our intrinsic motivation for taking delight in this type of learning and of doing the right things, is just as important as gaining competence in a learning discipline. At Oxley, we are blessed by families who value this wholistic approach to formation of the human soul.

Warm regards,
Douglas Peck

==== *"I am the vine; you are the branches". John 15:5a* =====

Chaplain's Corner

JOY
To the world
THE LORD HAS COME
let earth receive
HER KING!

As the school year already begins to draw to a close, with Year 12's sitting final exams and Year 10 and 11 classes concluding, you may have already begun your Christmas planning. What a year it has been, no one will ever forget 2020!

I don't know about you, but I am looking forward to gathering together with family over the Christmas period, enjoying meals together, exchanging gifts and celebrating the importance of family and friends – community. Let's hope this happens, safely and without further complication, Amen?

This year has had its challenges and the lack of being able to freely gather and worship in our churches would be very high on my list of things I have most greatly missed. While I enjoy elements of the hustle and bustle, the shopping, cooking and the gift wrapping, the family get-togethers and work breakups, the backyard cricket, the movies and the BBQ's ... the thing I am most looking forward to this December is family and ... the singing of traditional Christmas Carols.

Some people hate hearing carols. Sick of them on repeat in shopping centres perhaps. I love them. Beautifully written and at their core, songs of worship to both the Creator of the heavens and earth and His son, Jesus Christ. The word *carol*, means *joyful song* and these songs unite us in spirit and draw us closer together, while engaging us afresh in the Biblical narrative. They are passed on from one generation to the next, exclaiming the reality, beauty and true meaning of Christmas – the coming of our Saviour and Lord, Jesus Christ.

Joy to the World, one of my favourites and possibly one of the most popular Christmas hymns, has likely

appeared on more Christmas albums by solo artists than any other song. The Supremes, Bing Crosby, Ella Fitzgerald, Johnny Cash, Nat King Cole, Neil Diamond, Pat Boone, Perry Como, Mariah Carey and the a cappella group Pentatonix, as well as many more have published versions.

This famous carol was written by Isaac Watts in 1719, originally as a poem, not a song. This particular poem was an adaptation of **Psalm 98**, written as a celebration of Jesus' role as King of both His church and the whole world. More than a century later, the second half of this poem was slightly adapted and set to music to give us what has become one of the most famous of all Christmas Carols.

As you read over the lyrics to this carol, read it as though you are reading it for the first time. Read it as though it is a song of worship. You'll never look at or sing this carol the same way again.

God bless,

Pastor Matt
Chaplain

*Joy to the world, the Lord is come;
Let earth receive her King!
Let every heart prepare Him room
And heaven and nature sing!
And heaven and nature sing!
And heaven . . . and heaven . . . and nature sing.*

*Joy to the earth, the Saviour reigns!
Let men their songs employ
While fields and floods, rocks, hills, and plains,
Repeat the sounding joy! Repeat the sounding joy!
Repeat . . . repeat . . . the sounding joy!*

*No more let sins and sorrows grow
Nor thorns infest the ground:
He comes to make His blessings flow
Far as the curse is found!
Far as the curse is found!
Far as . . . far as . . . the curse is found!*

*He rules the world with truth and grace
And makes the nations prove
The glories of His righteousness
And wonders of His love!
And wonders of His love!
And wonders . . . wonders . . . of his love!*

Senior School

*With praise and thanksgiving they sang to the LORD: "He is good; His love toward Israel endures forever." And all the people gave a great shout of praise to the LORD, because the foundation of the house of the LORD was laid. This is recorded in **Ezra 3:11** as the temple begins to be rebuilt.*

To say it has been an unusual year in Melbourne is a gross understatement but yet we are slowly rebuilding the things we loved and it is great to acknowledge God for seeing us so safely through this time and for His sovereignty. It has not been easy, with sufferings both reported and hidden, individual and collective. Yet as we look at the situation around the world, it is hard to believe our blessings.

Examinations have begun for Year 11 and Year 12 students, plus English and Maths for Year 10 students. Although the format and approach is similar to previous years, I am sure the student experience involving masks, hand sanitiser etc. is something that will be remembered forever.

As we look toward 2021, there are still a number of celebrations for our students, and each one is being individually considered by a team and planned to ensure the greatest enjoyment and acknowledgement of each participant. Reviews and modifications ensure we factor in the current and predicted Health Department guidelines including gathering size restrictions, permissible activities and health advice regarding social distances and masks, with a desire to maintain as much tradition as is practicable.

Year 12 Graduation is going through another iteration within the limitations currently in place and I know Miss Claire Hogan will spearhead a night that will suitably celebrate the transition of our most senior students from Oxley to their exciting lives beyond our walls.

Similarly, Final Assembly is being reworked to ensure that we can recognise as many Year 7-11 students for their achievements as is practical, and announce the appointment of student leadership for 2021.

Year 7 Orientation Day is rapidly coming together in a revised format. Mrs Carolyn Connelly and Ms Rhiannon Coates changed to an online hosting of the day based on the permitted activities in early October. Now, however, they are moving to an onsite format in small groups with limited mingling, in line with revised guidelines, a much preferred approach.

Year 9 Mock Election is being reformatted by the Humanities Faculty, under the leadership of Mr Stephen White, and promises to be a sensational event to gain an appreciation of the Australian electoral system and democratic process.

There are, of course, other events happening which will undergo similar review and modification where required.

Every event this year has been reworked and I take this opportunity to acknowledge each staff member for the incredible organisation required to provide the best possible educational experience throughout 2020. I also take this opportunity to thank each family for your grace and support through this time. It has been challenging with unique individual experiences of hardships and emotions. I trust that you have been able to find peace and joy even in the midst of the storm.

*Take delight in the LORD, and He will give you the desires of your heart. **Psalm 37:4***

Greg Barker
Deputy Principal – Head of Senior School

Junior School

It is hard to believe that we only have just over three weeks of term remaining. Whilst parts of this year seemed to drag on, now we are back onsite and in the full swing of learning, the days are speeding by. Our school days are full, with students and teachers maximizing every moment together to enjoy learning and fulfil goals set earlier in the term.

Congratulations to all Prep – Year 2 students who participated in the recent Athletics. A wonderful time was had by all despite the different format of the event, with Gibeon Warriors the overall champions. Well done to all students for their optimistic attitude, encouragement of each other and for the incredible effort demonstrated in each activity. We are so grateful to Mr Joshua Gaschk for his organisation of the event, and to teachers for their support on the day.

One of the exceptional programs offered at Oxley is our environmental program. With a strong focus on sustainability and caring for God's creation, students enjoy the hands-on experiences available to them at the Enviro Barn. Throughout the year, Mrs Ann Gaschk has facilitated an exciting program for students in Prep – Year 6, with a one semester program offered to each year level. Even during remote learning, Mrs Gaschk provided families with activities which they could do at home, which included cooking, hunting for creatures in the garden, and making and creating. Now that we are back onsite, Mrs Gaschk and Miss Backholer are supporting the work of the Enviro Team, with members from every Prep – Year 6 class meeting fortnightly to oversee special projects. Students enjoy learning about caring for the unique environment God has created, participating critically and acting creatively in determining more sustainable ways of living.

A highpoint of our week is Chapel, which we continue to feature online. Led by our College Chaplain, Pastor Matt Daly, students and staff gather to celebrate and worship God, with a staff member often presenting a message. *Student of the Week* certificates and ribbons are presented in class and we are often blessed to hear

the incredible talents of our *Performers of the Week*. Pastor Matt always has a fun game for us to play, which often has us in fits of laughter, with students sharing their thinking or answers in the *MS Teams* chat. It truly is a time of gratefulness and of worshipping God for who He is and what He has done for us. Despite not being able to gather in person at LMC, our weekly Chapel is a blessing to all.

Reports will be distributed to students on Friday 11 December, prior to the end of the school day at 12.40pm. If your child will be absent on this day, the report will be mailed to parents. Reports cannot be collected earlier than this date.

As the end of the year rushes toward us, there are several key dates we need to bring to your attention. Please add the following dates to your diary:

- Correction Day (Student Free) – Friday 27 November
- Report Writing Day (Student Free) – Monday 30 November
- Final Assembly Recording Day at LMC – Wednesday 9 December. Please ensure students are dressed in immaculate full summer uniform for this event. A separate note has already been sent home regarding expectations.
- Last Day of Term 4 – Friday 11 December at 12.40pm (please note the early dismissal time).

Therefore, my dear brothers and sisters, stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labour in the Lord is not in vain. 1 Corinthians 15:58 (NIV)

Sharee Gaiser
Head of Junior School

What Did You Do at School Today?

Prep

Last week we were all very excited to go to our first Athletics day. We enjoyed wearing our House tops and cheering for our teammates. We participated in activities such as: tennis ball throw, bean bag toss, jumping jacks, sprints and relay races. Everyone tried their personal best to win points for their House. We also ran in our first cross country race. It was a long way around the oval, yet we kept going. Thanks, Mr Gaschk, for organising all these fantastic events. We cannot wait until next year.

Year 1

Year 1 have been working tirelessly to prepare for our Grandparents' Day Chapel presentation and are super excited to be presenting this live to the school community and their families. We have been learning how to find a fraction of a half and a quarter using a collection of objects. Our Multi Genre Writing Projects are moving along; we have showcased a range of different text types, as well as being creative in how we have presented them. We participated in House Cross Country, where we all tried our best!

Year 2

What a wonderful week of learning we have had in Year 2! For our Class Museum, we have loved sharing about old items from the past that people in our family have used. It has been so interesting to see how objects have changed over time. A special highlight was also making a Spoonville for our Year 6 Buddies!

Year 3

We are busily writing and publishing pieces for the Multi Genre Writing Project in readiness for presenting our work to the class next week. In Integrated Studies, we have begun to design our own island. We have chosen the location for the island, recorded climate data from a nearby city and are in the process of designing and creating a map to be added to the atlas. We cannot wait to design a flag, coat of arms and national anthem for the island.

Year 4

In Integrated Studies, we have been learning about the environment, vegetation and the weather. We are going to create our own island using all the knowledge we have learned. Our group will decide on the type of vegetation, such as areas of forest, woodland, desert or savannah. Our island will also have its own coat of arms and national anthem. We are learning so many cool, new facts.

By Elizabeth and Rachel

Year 5

We are almost ready to step into the Shark Tank to present some business ideas! We have been busy learning all about resources, competitors, market research and financial planning in Integrated Studies. We have taken that learning and formed small groups to create business plans to create a brand new invention in a selected industry. It is very exciting and we cannot wait to see who invests in our business proposals! We also completed our leadership lessons with Mrs Gaiser and are so excited to step up and serve the Junior School as Year 6 leaders next year. What a busy time in Year 5!

Year 6

Year 6 are busy at work! The amazing Year 4 students have assisted us with our market research so that we can develop a business plan which meets the needs and wants of our community. During our independent inquiry, we have practised crafting questions to guide our investigation. Ask us about what we have learnt about our chosen topic! This time next week, we will look a little bit different and may appear to resemble Senior students rather than Junior. We are anticipating the filming of our Graduation ceremony and are looking forward to celebrating our tremendous growth with our friends, family and teachers.

Prep - Year 2 Athletics Day

Prep-Year 6 House Cross Country

In Week 6, Junior School students participated in the Prep-6 House Cross Country event. This is the final House event for 2020 in the Junior School. Students were encouraged to do their very best to earn as many points as possible for their House. Students demonstrated perseverance to achieve their best possible time.

The following students are congratulated for placing in the top three in their year level:

Prep	
Boys	Girls
1st Bentley Moulton	1st Mawinu Buansing
2nd Rannbaaz Singh	2nd Gillian Liang
3rd Joey Lynch	3rd Philippa Newnham
Year 1	
Boys	Girls
1st Joshua Connolly	1st Ellen Frazer
2nd Jacob McLeod	2nd Ava Colverson
3rd Logan Schraa	3rd Sophie Waduge
Year 2	
Boys	Girls
1st Sawm Buansing	1st Mia Gu
2nd Shia Want	2nd Rose Moulton
3rd Matthew Pham	3rd Shazia Geisler
Year 3	
Boys	Girls
1st Joe Powell	1st Hannah Nelson
2nd Luke Graham	2nd Mia Frazer
3rd Jedd Reardon	3rd Anna Chen
Year 4	
Boys	Girls
1st Josh Lynch	1st Jasmine Jones
2nd Charlie Piper	2nd Eden Want
3rd Ryder Holland	3rd Charlotte Thorp
Year 5	
Boys	Girls
1st Donny Lian	1st Charlotte Filleul
2nd Lucas Mann	2nd San Lian Buansing
3rd Mason Trevena	3rd Emily Duckworth
Year 6	
Boys	Girls
1st Anthony Tartaglia	1st Hayley Graham
2nd Jonathan Woodcock	2nd Jess Lynch
3rd Archer Hogan	3rd Kayla Foo

Gibeon Warriors (Red House) finished first with 741 points. Zion Crusaders (Blue House) placed second with 558 and Tabor Trojans were third with 470. Congratulations to all students who participated in this event!

Prep Medal Winners: Back row: Bentley, Rannbaaz and Joey
Front Row: Mawinu, Gillian and Phillipa

Year 1 Medal Winners: Ava, Ellen, Sophie, Jacob, Joshua and Logan enjoying their success in the Cross Country

Year 2 Medal Winners: Rose, Mia, Shazia, Shia, Sawm and Matthew awarded with their Cross Country Medals

Year 3 Medal Winners: Mia, Hannah, Anna, Luke, Joe and Jedd acknowledge for their super achievement

Year 4 Medal Winners: Eden, Jasmine, Charlotte, Charlie, Josh and Ryder presented with their Cross Country medals

Year 5 Medal Winners: Emily, Charlotte, San Lian, Lucas, Donny and Mason celebrating their efforts in the Cross Country

Year 6 Medal Winners: Jess, Kayla, Jonathan, Anthony, Archer and Kayla rewarded for their excellent efforts at the Cross Country

We also encouraged students who improved their fitness in the *Fitness at Home Challenge*. The top five boys and girls from Prep-2 and Year 3-6 were celebrated for achieving the longest distances travelled. We thank all students who participated in this challenge during remote learning.

Prep-Year 2	
Boys	Girls
1st Jonathan John	1st Emma Wang
2nd Edwin Wang	2nd Philippa Newnham
3rd Matthew Pham	3rd Izzy Krause
4th Lenny Piper	4th Lulu Krause
5th Reuben Nelson	5th Sarah Guo
Year 3-6	
Boys	Girls
1st Finn Destry	1st Weylen Truong
2nd Jonathan Woodcock	2nd Jasmine Jones
3rd Blake Roberts	3rd Olivia Dyason
4th Jonathan Newnham	4th Leah Chen
5th James Pong	5th April Davidson

Joshua Gashck
Junior School Sport Teacher

Senior Sport

Congratulations to our Olympic Change-Makers

Two Oxley students were amongst more than 800 Year 10-12 students across the nation who were recognised as Australian Olympic Change-Makers, for inspiring their community and using sport to make positive change within their schools.

Congratulations to **Emily Pocock** (11.13) and **Angus Hubbard** (11.14) who represented Oxley Christian College in this years Olympic Change-Makers program. This program replaced the Olympic Council's former Pierre De Coubertin awards.

This year's award winners represented every state and territory through their demonstrated leadership and the way they created a positive change for their community.

In the Change-Maker program's second year, physical state-based forums for award winners have been replaced with a national online forum, with 810 winners connected on a livestream to share their award celebrations and hear from seven Olympians, including Sydney 2000 hurdler Kyle Vander Kuyp and Olympic champions Chloe Dalton and Brooke Hanson. AOC CEO Matt Carroll said the 2020 Australian Olympic Change-Makers embody the Olympic spirit.

"The Olympic Movement aims to build a better world through the power of sport so it's incredible to see the impact of the 810 young Australians acknowledged as Olympic Change-Makers," Mr Carroll said.

"These young leaders have not only met the challenges 2020 has put in their way, but have shown the power of sport to make a difference in their communities to stay connected, active and motivated.

"I congratulate all recipients and look forward to following your journey as you continue to promote positive change. The Olympic spirit is alive and well with young leaders like this."

Hosted by Olympic champion swimmer Brooke Hanson and featuring Kyle Vander Kuyp, Melissa Wu, Taliqua Clancy, Chloe Dalton, Steve Solomon and Beki Smith, the livestream saw students share in their award celebration and showcase the impact the Olympic movement can have in communities around the country.

Congratulations to Emily and Angus on your nomination to represent our College.

Emily and Angus with their certificates from the Australian Olympic Committee

Frederik Kotzé
Head of Sport

Music

We have been very happy to welcome our Brass, Vocal and Woodwind students back to lessons. We have been blessed with lovely weather so far for their lessons outdoors. We have also realised what a beautiful outdoor environment we have around the BPAC that allows us to set up outdoor lessons.

Many of our ensembles have been working toward recording the music they have been learning throughout the year. These recordings will be collated for viewing in upcoming online concerts and events. While we are disappointed not to be able to play live for family and friends, what a blessing it is to be able to record what we have been doing throughout the year for use in our online events.

With the year we have had and finally having had all students return to the College less than a month ago, it is hard to believe that we are now working toward our end of year activities and planning 2021.

An Application for Private Music Tuition for 2021 has been sent to all students currently enrolled in the music program. Thank you to the majority who have already responded and ensured their place for 2021. We encourage all current families who have not yet replied to do so as soon as possible to ensure their children are included on the timetables. We also encourage any students who are thinking of starting lessons in 2021 to put their application in as soon as possible.

We are receiving many requests for music lessons outside of school times. Oxley offers a school-based music program and therefore the majority of lessons offered will be undertaken during school hours. The exception to this is for VCE students who will be scheduled in their study periods or outside school times. Once our VCE students are scheduled, there is very little (if any) time left outside of school hours for students from Years 3-10. If this is an important requirement for families we suggest that tuition be undertaken by an external music school who will have more options, and many music teachers provide lessons from their homes.

We would like to remind families that our regular policies and procedures will be reinstated in 2021. These include the need to provide six weeks' notice in writing for withdrawing from lessons. Students and families are also reminded that lessons will not be rescheduled around absences.

This week our featured music student is Mary Spratt from Year 8.

Hey! My name is Mary Spratt, and I am currently a Year 8 student here at Oxley. I have been learning the piano since Year 1, so for nearly eight years.

Piano, and music in general, mean so much to me. I love being able to get up in the morning and just play a song on the piano; it is a great way to start a day in a more calm and organised mindset...anytime that I play piano I can just feel myself relaxing and forgetting about anything that I have been stressing about. I love bringing joy to others through music.

All through my primary and secondary years, I have been a part of musical groups and ensembles, including the Senior Choir, Training Band, and last year's Middle Years' production of High School Musical JR.

I love the musical community in Oxley. This year I am part of the Senior School Mary Poppins production, which is such an honour and joy. Being a part of a production is an amazing experience, filled with lots of excitement as we gradually bring the show to life.

Please email apecock@oxley.vic.edu.au if you have any questions about music lessons or ensembles.

Angela Peacock
Performing Arts & Events Administrator

Homework Club

A reminder to Senior students that Homework Club is on every Thursday from 3.30pm - 4.30 pm in Room 21 (pink door). Homework Club is a wonderful opportunity to improve academic knowledge and skills with a range of different teachers!

Aijun Zhong
Senior School Teacher

Samaritan's Purse

Each year we have the opportunity and the privilege to partner with Samaritan's Purse and Operation Christmas Child to provide a gift to a child who is underprivileged, living in a developing country and in desperate need of love, hope and the good news of Jesus Christ.

This year, despite the challenging time, the Oxley community has to date, generously donated 376 boxes to the Operational Christmas Child Shoebox Appeal!

Matt Daly
College Chaplain

Lost property items will be on display outside the Resource Centre from Monday 23 November. Please take this opportunity to claim your lost item before the end of Term 4.

Enrolments

2021

We have limited vacancies for next year and would encourage you to submit your Enrolment Application Form as soon as possible, if you wish your child to be considered for a place.

2022

We are now accepting enrolments for 2022 and beyond (particularly Prep and Year 7) and look forward to hearing from you if you wish to enrol your child(ren).

Notice to Withdraw

Parents are reminded of their obligation to give the College one full term's notice, in writing to the Principal, if their children are not continuing at Oxley Christian College. The lack of one term's notice will result in the payment of one term's Tuition Fees.

It is also a legal requirement for you to inform us of the school to which your child's enrolment is transferring.

Caroline Lewis
Registrar

Oxley Kids has very limited vacancies in 4 yo kindergarten only for 2021. For enquiries about this class or to enrol for future years, please contact us on 9727 9200 or email office@oxleykids.vic.edu.au.
